**Important notes for the student:**

- 47 credits, minimum, required.
- Minimum grade of 2.7 (or “CR”) required in each course used toward degree requirements.
- Minimum grade-point average (GPA) of 3.0 required.
- If you are including any out-of-school courses or transfer course credits, or if you have petitioned out of any core course, it is your responsibility to make sure that the Office of Student Services has already received all necessary approved paperwork.
- You must turn in a completed copy of this Program of Study form to the Office of Student Services by the posted graduation-application deadline for your specific quarter.
- Student Services will use this form to perform a degree audit of your record and verify that you have all the necessary degree requirements either completed or in progress. If any questions arise, you will be notified.
