

Stories of Korean Immigrants in Cuba : Organizing Digital Collection

Min Young Hwang (MLIS)

Historical Context

- Around 300 Koreans who fled Korea to Cuba during the Japanese occupation in 1900s
- Lack of official diplomatic relations between Cuba and South Korea

Information Needs

- Unprocessed photos of the immigrants in University of Washington East Asia Library
- Needs for metadata and a research guide

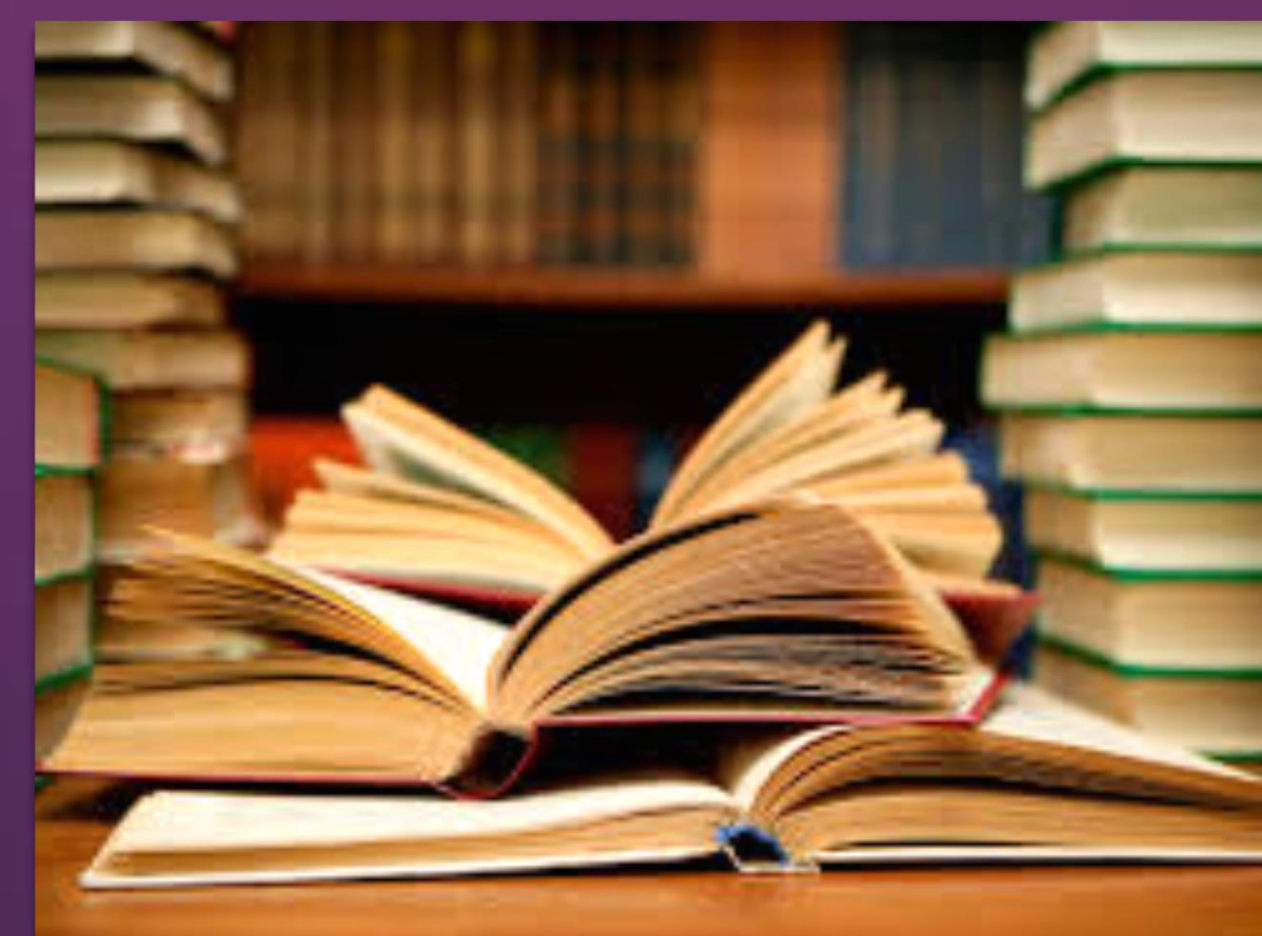

Outcome 1 : Digital Photo Collection

- Organizing the photos
- Creating metadata for each photo
- Writing a brief overview about the collection

Outcome 2 : A List of Other Resources

- Researching other resources on the topic
- Organizing the resources by media type
