Virtual Information Session @iSchool

Looking for an internship or full-time opportunity in technology? Join us virtually for an information session, where, over video conference, we will introduce Workday technology, discuss our culture, and host a Q&A panel. Bring your appetite, we will be catering lunch and giving away a raffle prize!

Workday delivers financial, human capital management, and analytics applications for the world's largest companies. We were recently named Fortune's #2 Best Workplaces in Technology!

Who's Invited:

All students interested in having fun and making a difference at Workday! If you're interested in attending, please sign-up via:
