

## Directed Fieldwork Supervisor's Final Evaluation

Students are awarded credit/no-credit for this course. During the quarter students submit work to the Faculty Coordinator and work closely with you. Your feedback helps us assess the student and make adjustments to future Directed Fieldwork assignments. *Under the provisions of state & federal law, the student may, upon request, review this document.*

Please send this document as an email attachment to the DFW Faculty Coordinator.

*Please answer each question thoroughly using more than just a sentence or two. You may include another sheet as needed.*

1. From your perspective, were the student's learning outcomes met?
2. From your perspective, did the student satisfactorily complete the tasks/projects as outlined?
3. Please comment on any aspects of the student's work that you found to be especially commendable.
4. What recommendations would you make to the student for improving performance in future projects or employment?
5. Would you hire this person for a professional position?
6. What recommendations do you have to guide us in future projects (initial DF information, ongoing communication with the student or the iSchool, reporting procedures, etc.)?
