

# CRITICAL PEDAGOGY SUMMIT

A FEMTECHNET  
UW LIBRARIES &  
SEAT INSTITUTE  
COLLABORATION

Critical Pedagogy is a teaching approach that helps students question and challenge domination and the beliefs and practices that dominate them. It is Social Justice + Education.

Critical Pedagogy Summit is coming together to co-teach and co-learn.

It is distributed, open & collaborative.

The summit is intended to meet the needs of digital interdisciplinary scholarship and practices.
