## INEFFICIENCIES IN ALUMNI NETWORKING:

- Strain on staff time
- Inaccessible to some alumni
- Indirect communications

Alumni **want to meet others** in the program who share career/academic interests

Alumni **contact Making Connections staff** in person or over email with requests

Staff **facilitate networking** between alumni through memory and personal relationships

## NETWORKING MADE EASY:

- Alumni reach out to other alumni
- All alumni have access to directory & resources
- No intermediary in communications

Alumni **log-in** to their account

Browse all **Making Connections alumni**, sorted by career and academic fields, age, and location

Alumni **discover and contact potential mentors** via email, LinkedIn, or other disclosed means
