

# UW NIGHT MARKET

SKIP THE LINE: LESS WAITING, MORE EATING

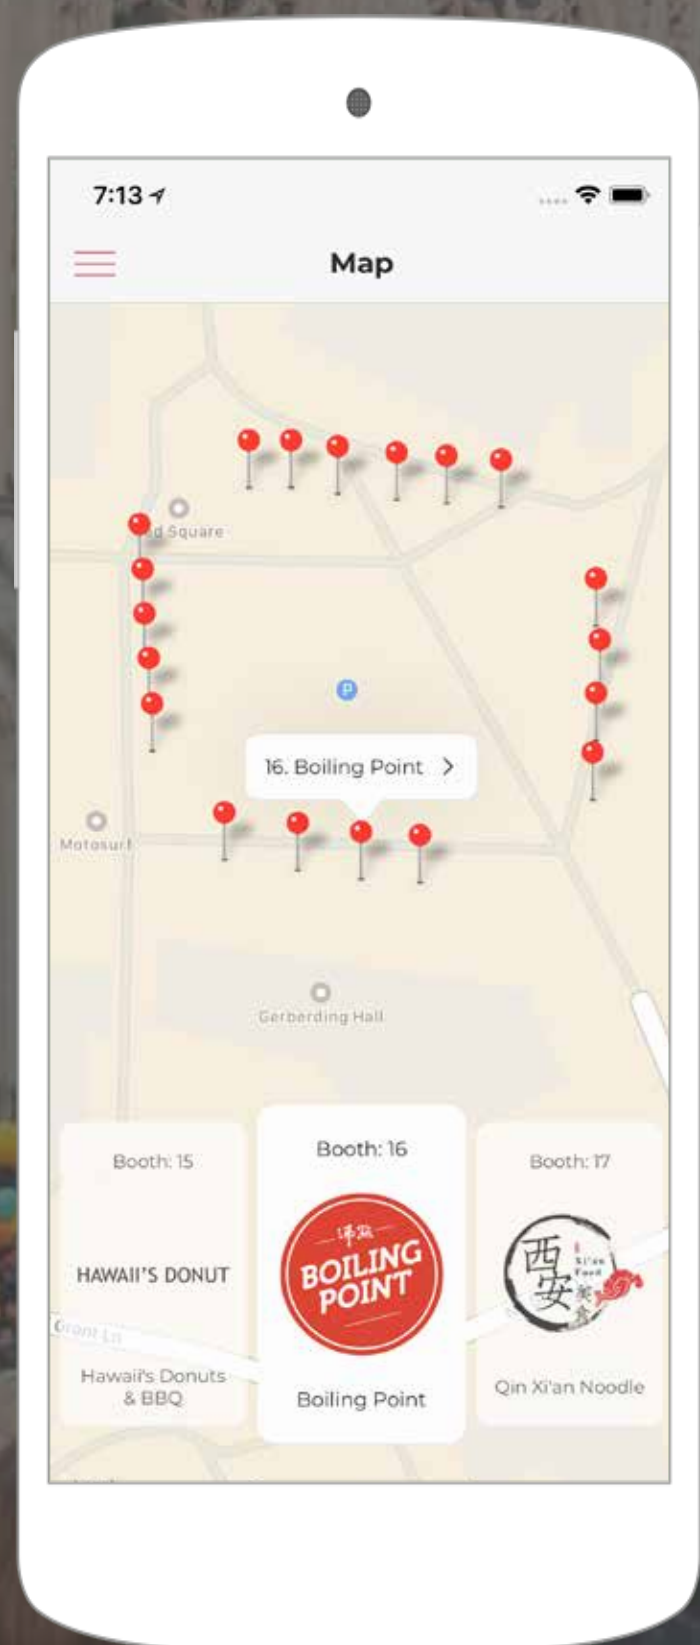

## Problem

Every year, the UW Night Market event attracts thousands of people around the Greater Seattle Area. Attendees' experiences are soured by the **long wait lines** to order from vendors.

## Solution

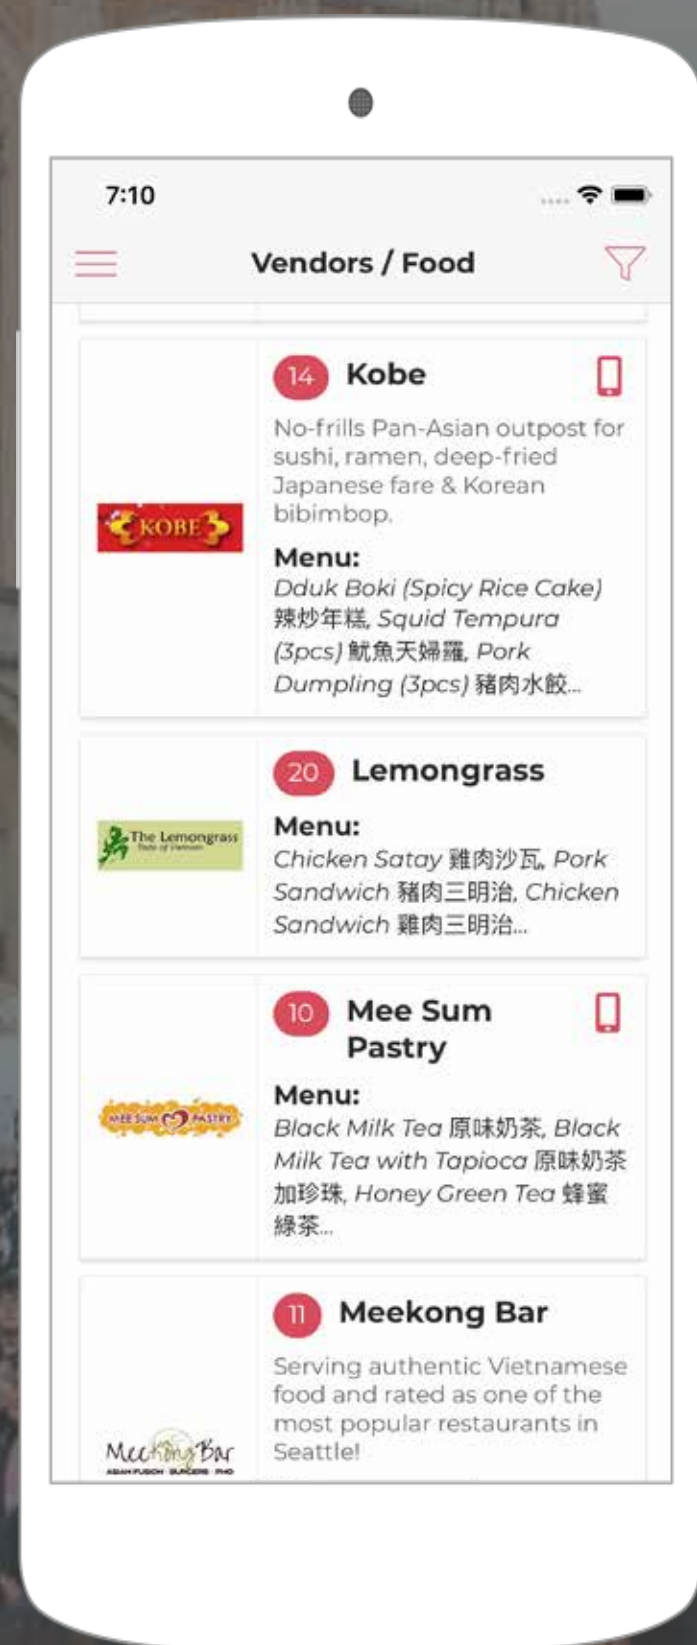

An app that alleviates the long wait line issue at the annual UW Night Market through **facilitating the ordering process** between attendees and vendors.

## Features

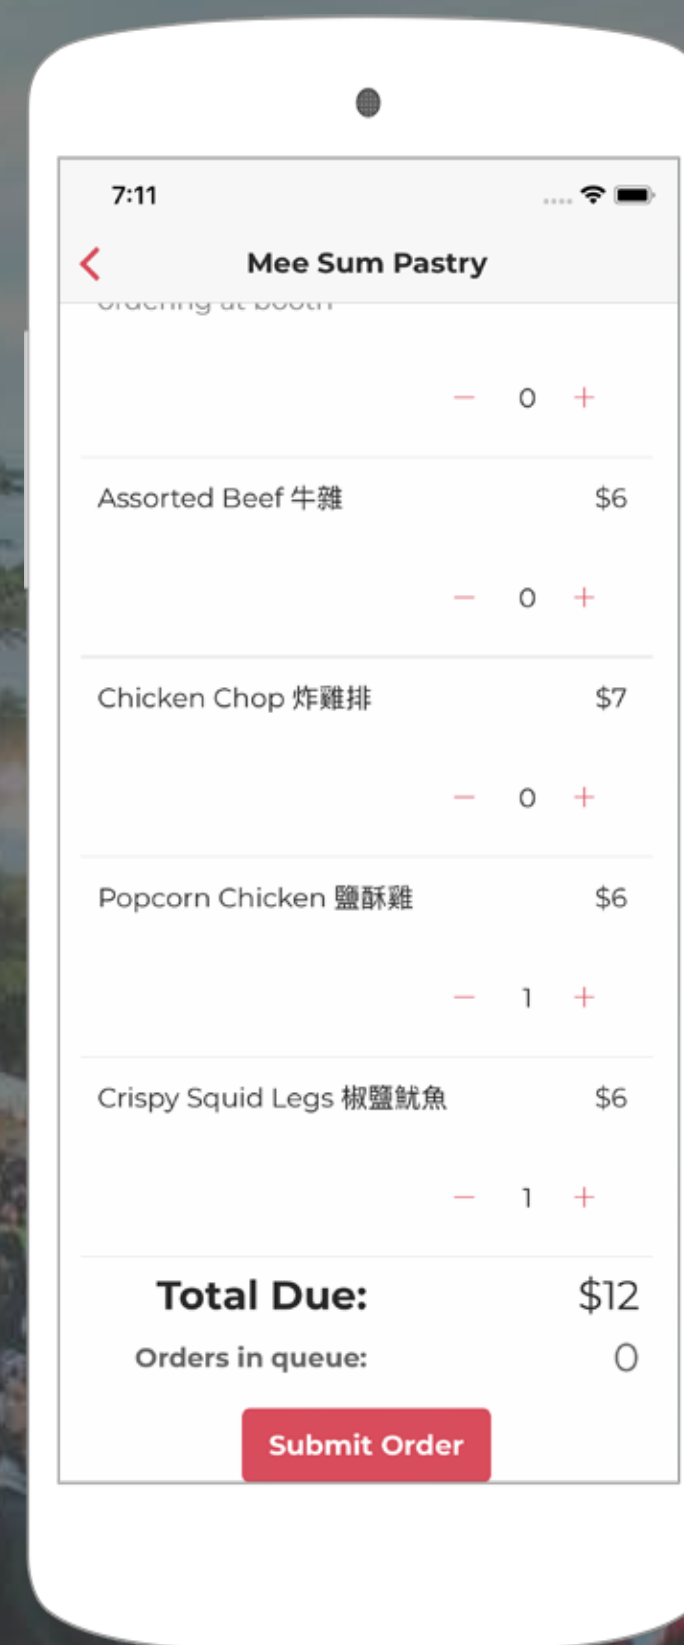

### View

event information

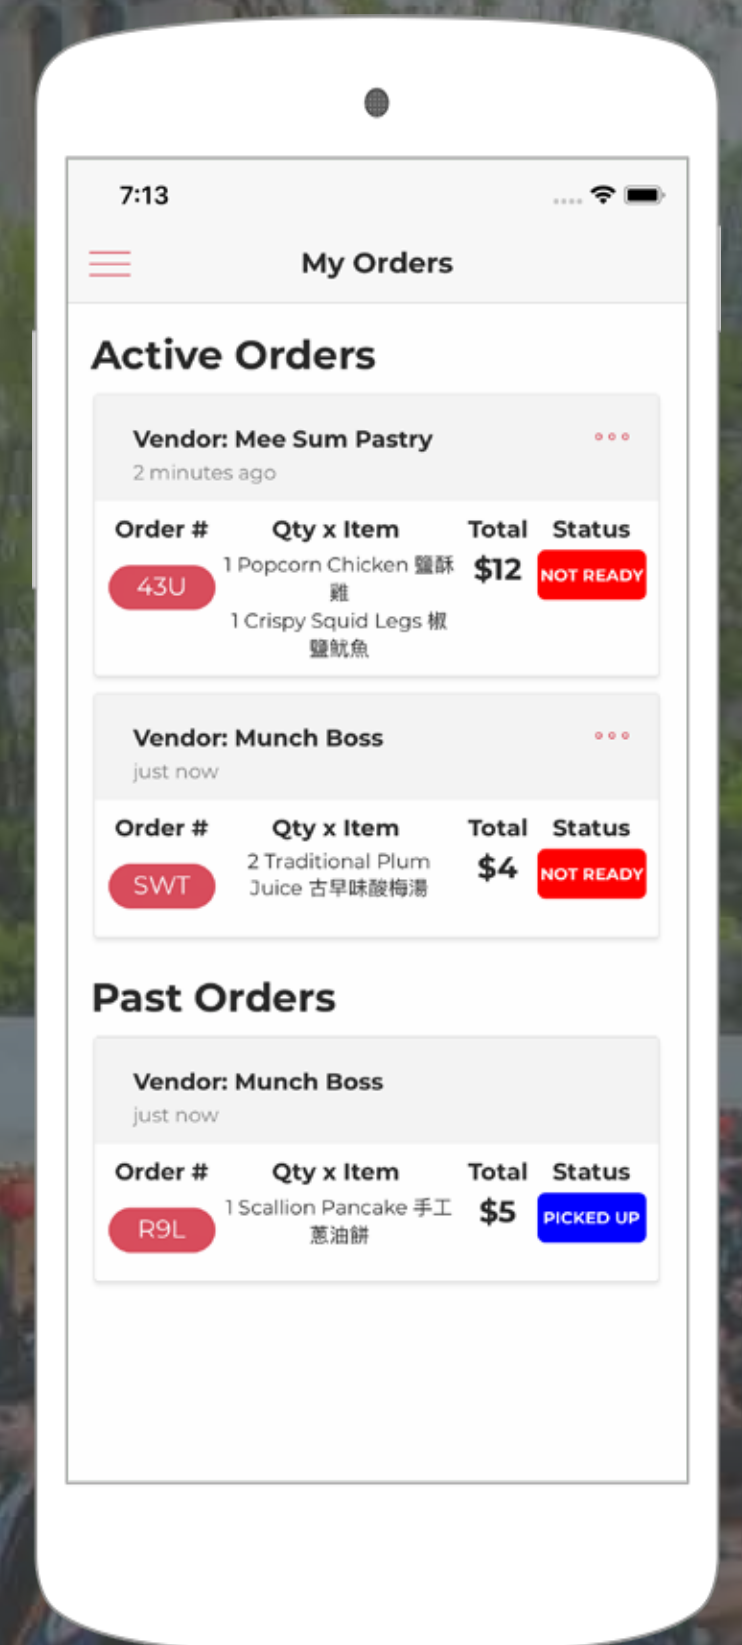

### Browse

vendors and menus

### Order

food and drinks

### Track

order status

## Results

**2100+** App Downloads

**10** Participating Vendors

**483** Order Transactions

**\$4553** Revenue Generated
