

# Muse Museum

---

Library + Art + Museum + Mindfulness + Play

Contemplate; Consider; Ponder; Reflect

## WHAT:

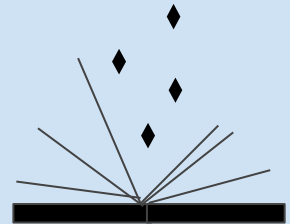

This is a proposal for a non-profit interactive children's center, where kids can explore art and literacy. This center will help children and families understand the impacts of their emotions, and the true power in storytelling.

## WHY?

As of 2015, Cincinnati had 11,807 documented homeless. 10% were youth unaccompanied by adults. 43% percent were under the age of 25.\*

Living without a home or overcoming poverty and adversity is a story that won't be told without support, understanding, or space. This is what the Muse Museum would provide.

are light  
in a world  
so dark.”
