

# COCINA

Learn a language, one recipe at a time.

Hey Google, what is **COCINA**?

**COCINA** is a **Google Home assistant** that allows users to learn and practice a language by cooking recipes in that language, utilizing a **Task Based Language Learning** model.

That's awesome! How does it work?

It's as **simple** as 1, 2, 3 - here, let me show you!

## 1 Recipe

Tell **COCINA** what you'd like to cook, or choose from our recipes list.

## 2 Ingredients

Listen to the ingredients list, prepare your supplies, and get ready!

## 3 Cook

Follow along with each step - at any time, you can pause, repeat, or ask for help.

Learn a language from your kitchen with **COCINA**!
