

# WASTELESS

Aiding the zero waste community in learning, sharing and saving the earth!

## A SUCCESSFUL ZERO WASTER

### Gathers

Information and tools necessary to become better everyday. Through our Explore and Equip features zero wasters can read articles and shop for products

### Builds

Strong habits that work with their daily life. Our Log feature allows zero wasters to form habits by defining goals and setting reminders.

### Motivates

Themselves and others by sharing their story and their ideas. Sharing through our Connect feature allows users to get motivated with the help of others.

## OUR IMPACT

Each one of our features aids users in a unique way, attempting to ease the transition between being a waster and a zero waster. With a movement that is growing every day, our app has the potential to make a dent in the world's trash catastrophe.
