

Shield

1 DEFENDER 36 MINUTES/CASE 1000 CASES

WOULD YOU TRUST AN OVERWORKED ATTORNEY
WITH YOUR LEGAL FATE?

SHIELD EMPOWERS ATTORNEYS TO HANDLE
MORE CASES BY STREAMLINING LEGAL DATA INPUT AND
VISUALIZING CLIENT LEGAL HISTORIES.

RECORD KEEPING

Optimized to help legal assistants and lawyers quickly scan case docents and input case information for future use in trials and court.

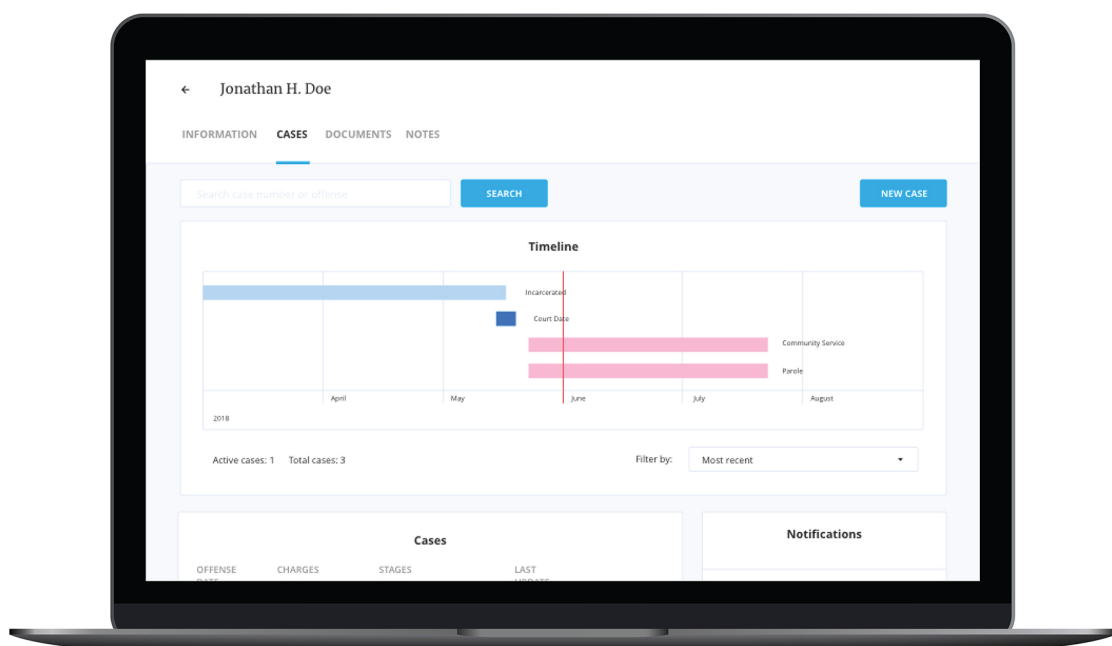

SECURE LOG-IN

Information stored on cloud can be accessed across different members of a firm with minimal fear of third party access.

FINAL VERDICT

Helping the public means ensuring attorneys handle their case loads. That's Shield's mission!
