

# MediSend

Your medical records on the go

Medical records transfer today are not as convenient and easy as it should be. Patients should have control over their records. Hospitals should be able to obtain and process records easily and efficiently.

## PORTABLE RECORD

Patients have full control over their own medical records

## EASY TRANSFER

No more paperwork to fill out  
Transfer is as easy as scanning a QR code

## SECURITY

Secure transfer and storage of records  
using Sent.io's blockchain solution
