

**12,112** people  
are facing homelessness  
in King County.

**Do you know  
their stories?**

# PATHS

Practice empathy through real stories.

## Challenge Stereotypes

Uses interactive, decision based mobile application to combat stereotypes and biases regarding homelessness in Seattle.

## Develop Empathy

Encourages users to understand and reflect on the experiences of potentially misunderstood and marginalized populations.

## Make an Impact

Motivates users to donate and volunteer at nearby non-profit organizations that help the homeless community.
