

Information Literacy Toolkit

June 4, 2019

Identify.
Find.
Evaluate.

We created a culturally-sensitive video series to teach students various facets of information literacy.

This toolkit was made with input from Highline students, staff, and Puente cohort faculty.

“Many people don’t know much about finding accurate and relevant sources. This video helps with that.” – Puente Cohort Student

Video Creation Process

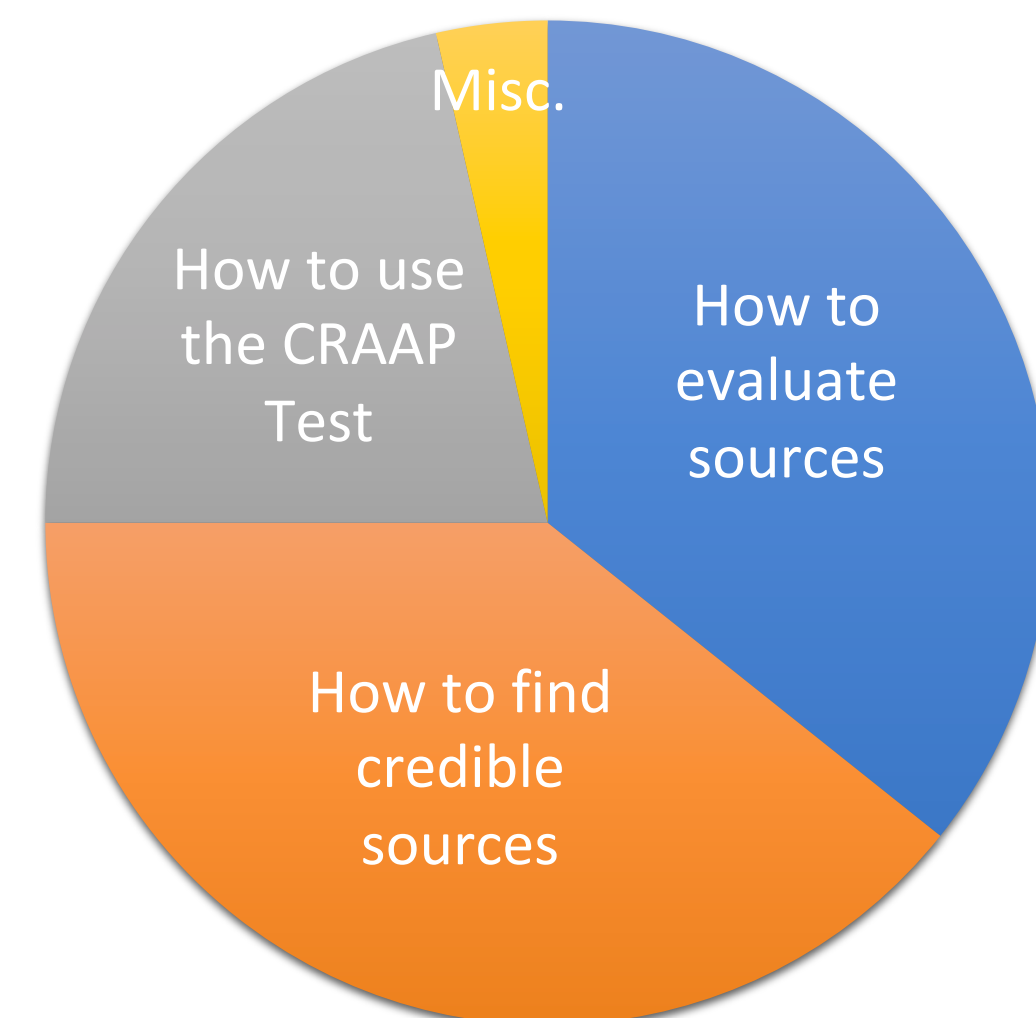

Recording Ben's voiceovers

Recording Studio at ODE

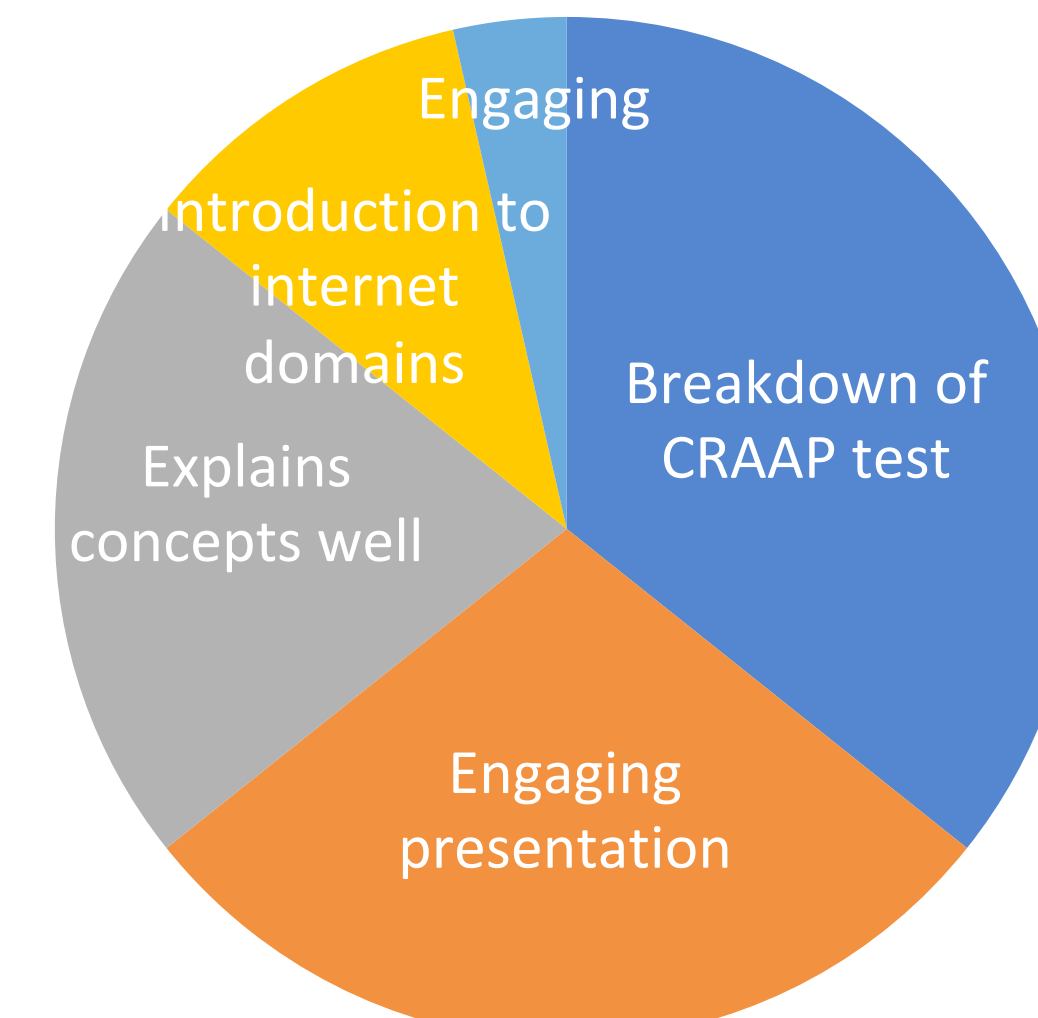

Scaffolding the videos

Student Feedback (N=28)

What was the main point of the video?

What did you like about the video?
