

tern

Your personal tour guide.

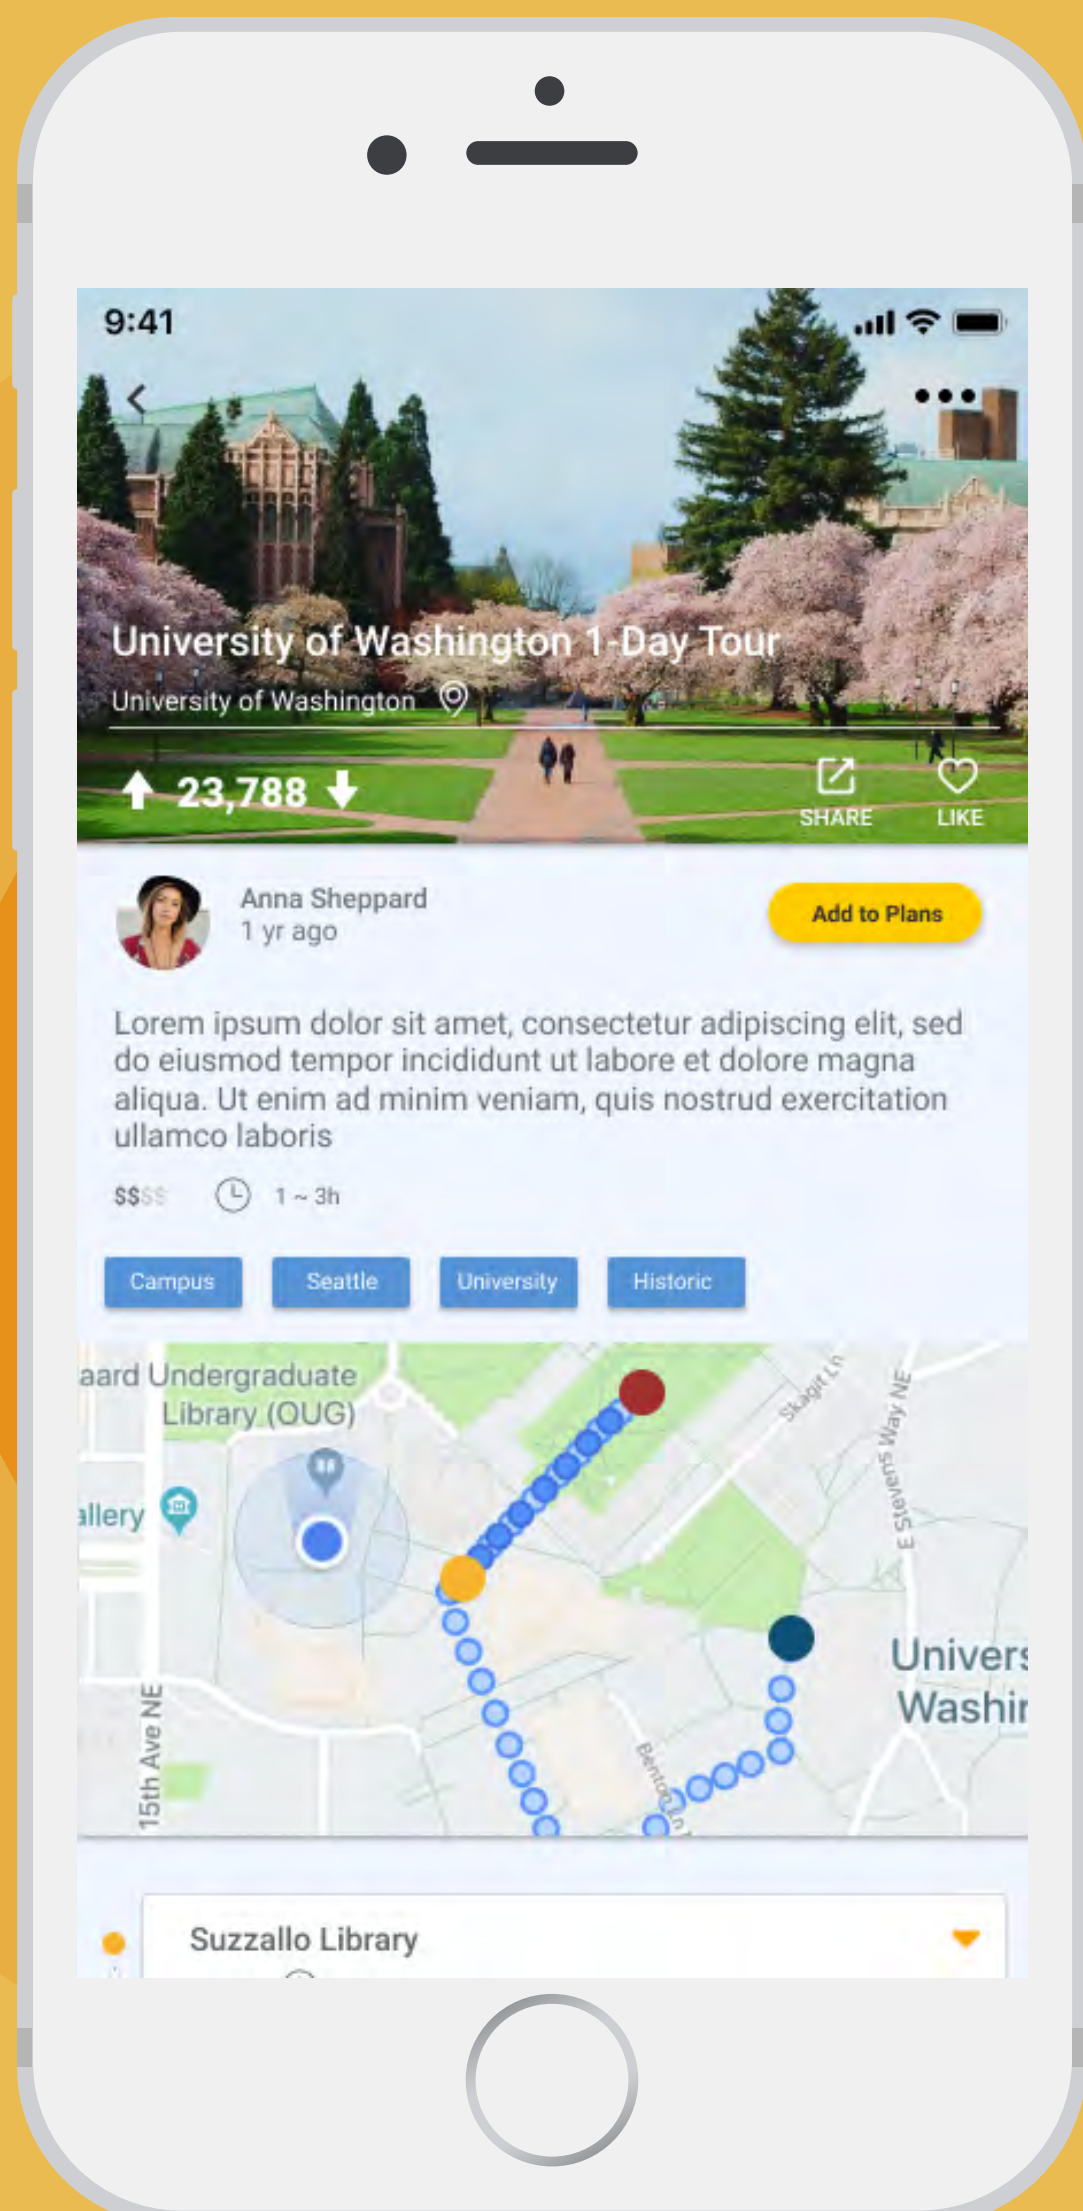

Problem

- Brainstorming new locations to travel to can be overwhelming and often intimidating.
- Planning travel logistics and specific details is challenging and anxiety-inducing.
- Gathering information across multiple websites and apps wastes a lot of time.
- There is no dedicated task manager that keeps you on track of the travel plan.

Features

- BRAINSTORM**
View posts from travelling enthusiasts around the world and get inspiration.
- TRENDING**
Know the hottest travelling style so you never get out-dated.
- VOTING**
Upvote for your favorites trips, and downvote for your disliked trips.
- CREDITS**
Any behaviors count towards your credits, including posting, commenting, voting, etc.
- FOLLOW**
Be an expert in this community as long as you are enthusiasts in travelling and sharing.
- PLAN TRIPS**
Add favored trips in plan. Tern sends notifications based on user needs and navigate everywhere in the world.
