

# BILL & MELINDA GATES *foundation*

Investing in key global health and development problems

*A data warehouse for long term  
tracking of global health projects*

## LOTS of Data

Over 30,000 scientists  
around the world apply  
for Gates Foundation grants

## All in ONE Place

Our product consists of a  
data warehouse that brings all  
applicant data into one place

## Better INSIGHTS

Having all the data  
in one place allows the  
Gates Foundation to easily  
draw insights on  
project successes

**\$450 Million** in Grants  
Awarded to **Scientists** for Research in  
**Global Health**
