

# Blue Funder Portal

Sponsored by Washington Maritime Blue, we aim to make the funding resources more available for maritime entrepreneurs, and to maintain ocean sustainability at the same time.

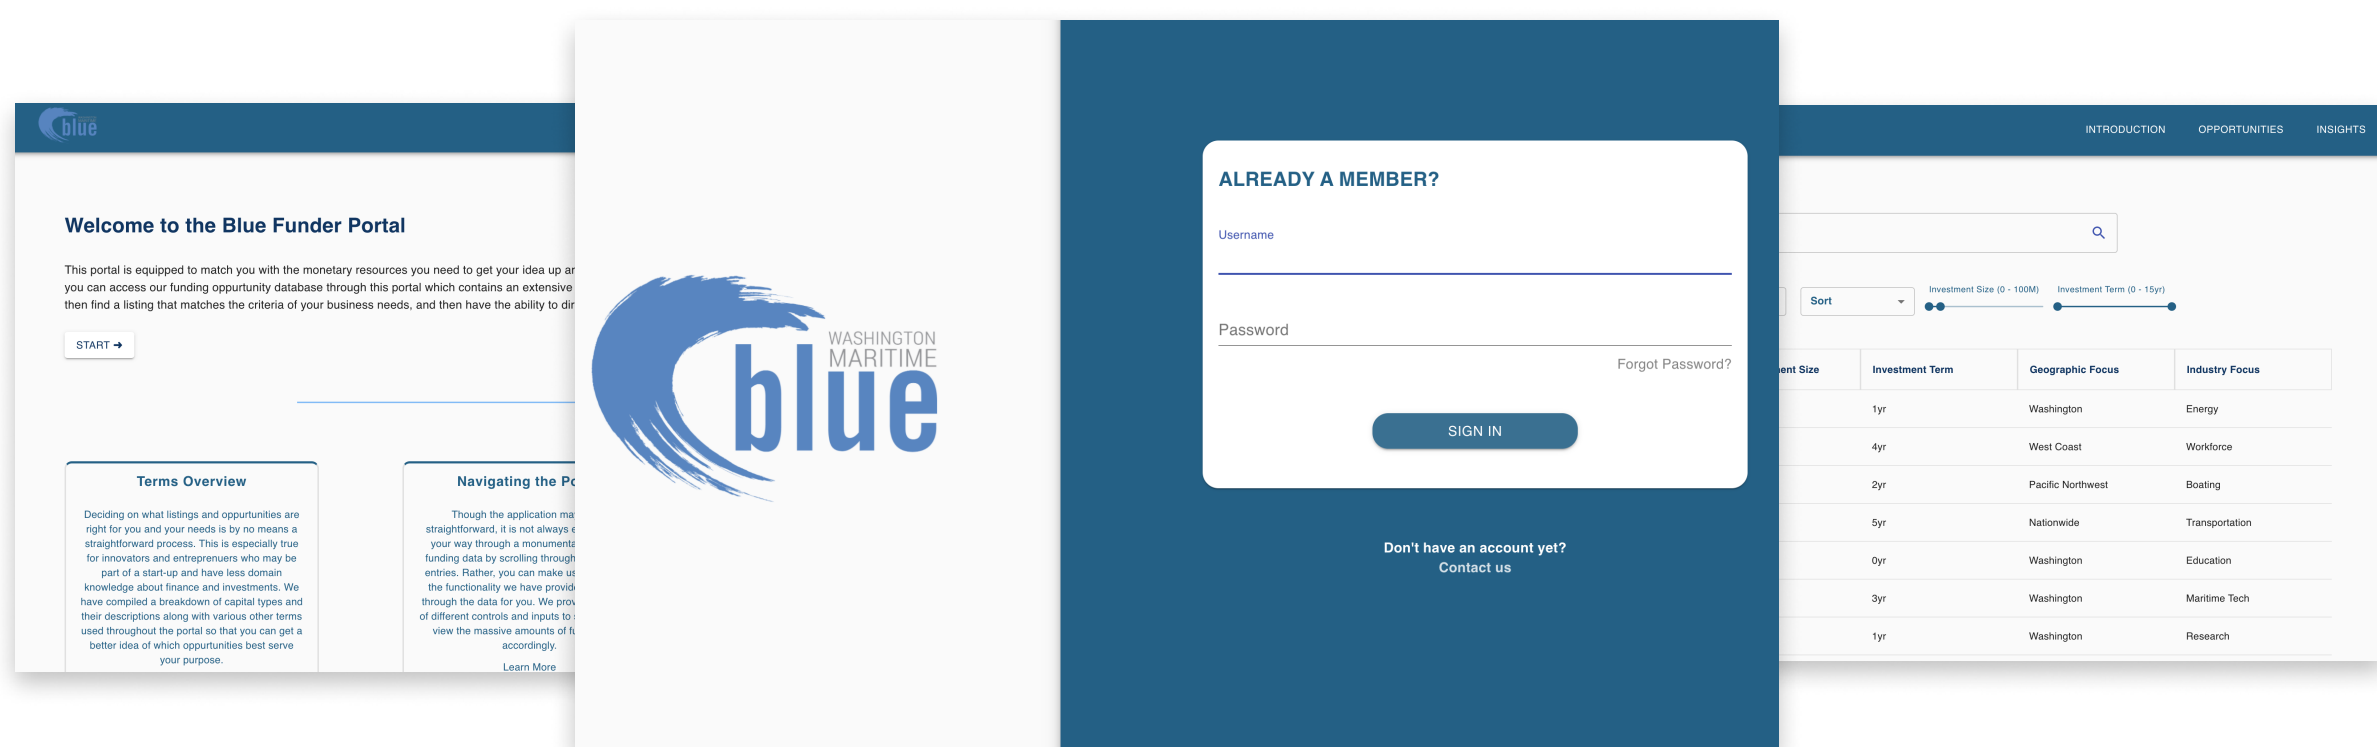

with **Washington Maritime Blue**

we support

committed to the development of maritime business, technology, and practices that promote a sustainable future contributing to economic growth, ecological health, and thriving communities.

sustainable use of ocean resources for economic growth, improved livelihoods and jobs, and ocean ecosystem health.

## The Blue Economy

Search across a vast number of listings for an opportunity that matches your project needs
