Zero
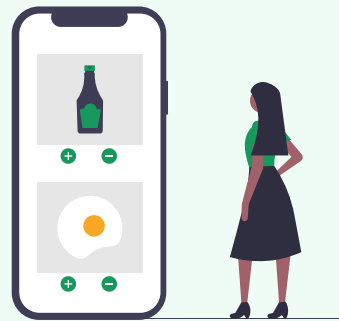

Zero is an iOS mobile app that helps users **reduce waste** of food, cosmetics, and medication, and users could **better plan their shopping.**
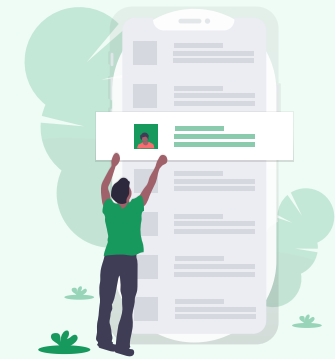

1. Scan
barcode to get expiration dates

2. Get notifications
before your products expire

3. Manage
your current items

Save over **$100** per year

Be **eco-friendly**

$160 billions of food wasted in U.S. each year

A **stress-free** solution
