

framework for a ywca alaska archives

Sarah Bryan & Julie Varee, 2021 Capstone Team
Theresa Lyons, YWCA Alaska CEO, Sponsor

Rationale.

Explored the *why* of creating the archives, what the organization means to its stakeholders and community.

Research.

Surveyed and facilitated listening sessions with the Board of Directors and Advisory Council, to identify high-level themes for what will be collected and preserved.

Deliverable.

Created a guide for organizing, describing, and storing images, documents, and other materials - for what has been collected and what will be in the future.

Support.

Provided sources for documentation, supplies, and continued planning for the building of the archives.

Next Steps...

Included possible partnerships with traditional repositories, a case for prospective funders, and how to engage interns and volunteers.
