

Project Upskill:

Bridging the soft skill gap between first-generation college students & employers

Challenge

89% of 'bad' hires are due to the employee **lacking soft skills** according to managers

1 of 3 **major barriers** first-generation college students face is **lack of soft skills**

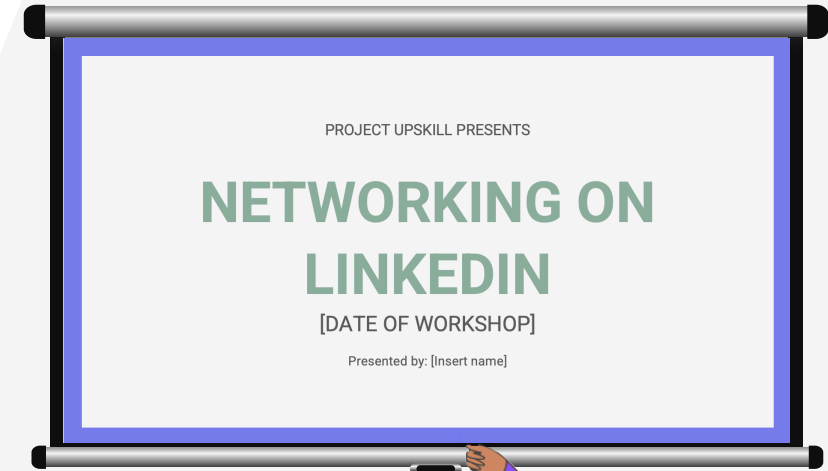

Impact

 Helping first generation college students **increase their soft skills** so they can **grow in their future careers**

Outcome

 **Open source** resources available on github

 RSO's present our content in the form of **workshops**
