# Clarity

Simplify Your Job Hunting Process.

### Track application statuses

Set the status of your applications to manage which applications are still in progress.

### Manage required materials

Note which application materials are required to successfully put your best foot foward.

### Add personal notes

Have other attributes to note when applying to jobs? No fear, add them to your persnoal notes!
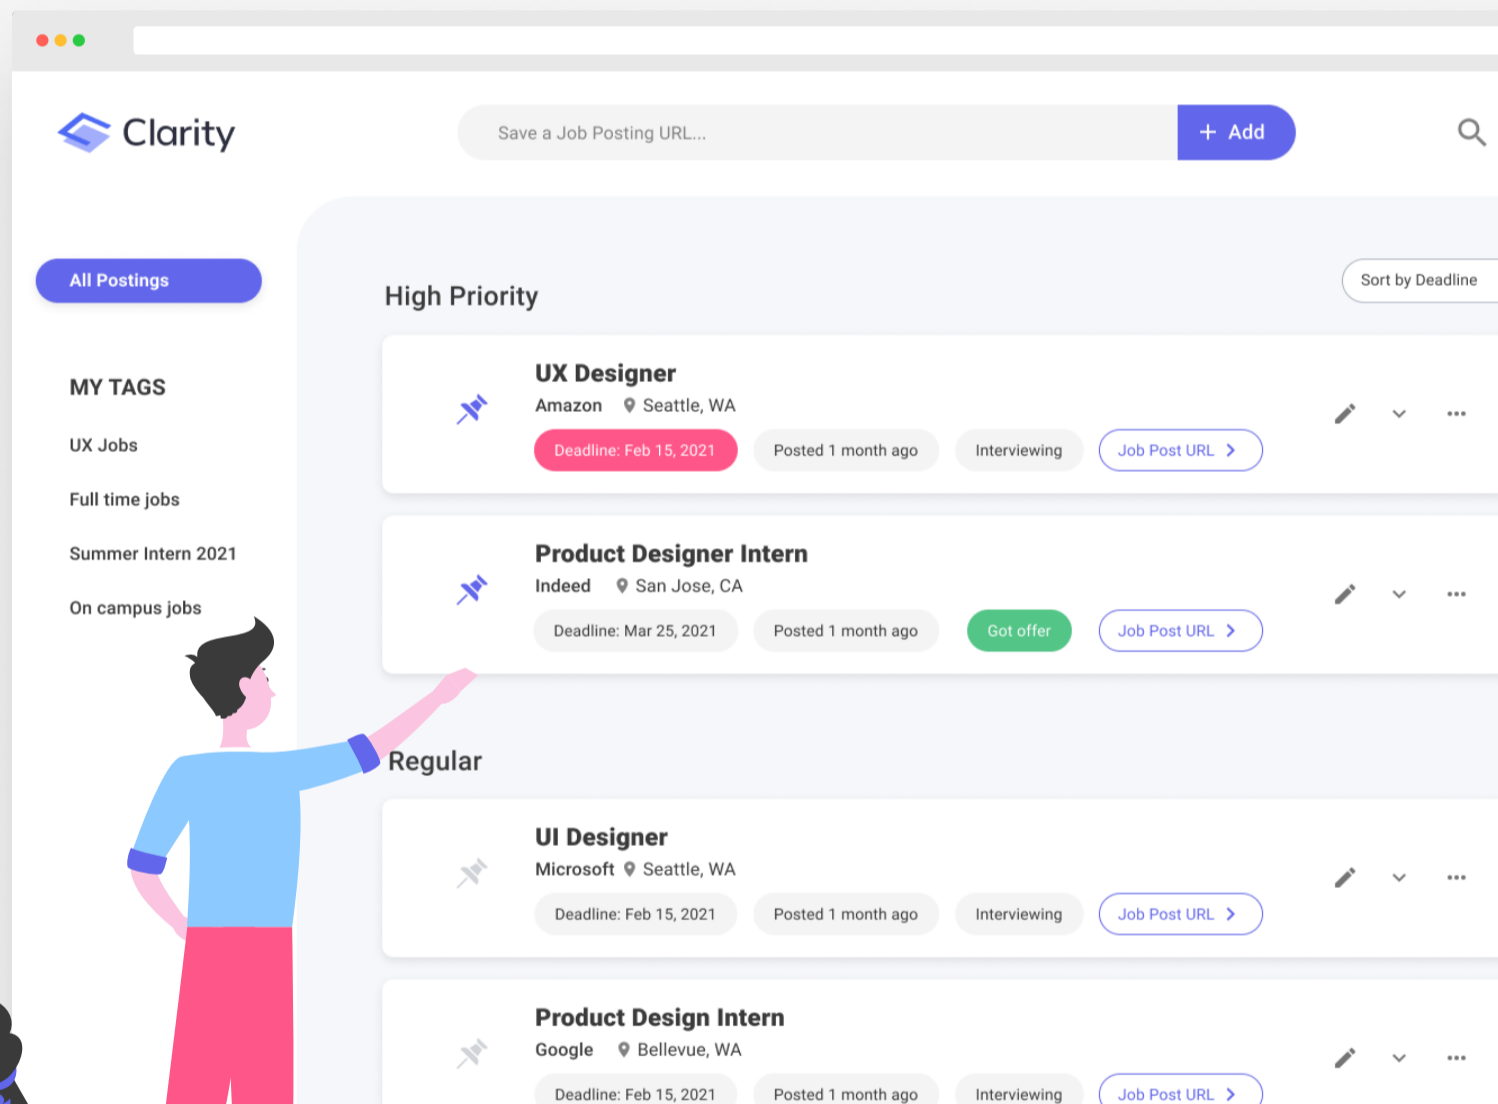

**STEP**
**01** Paste your link.

**STEP**
**02** Fill out the posting details.

**STEP**
**03** Done and save!
