

REFRESHING LIBRARY TECHNOLOGY CURRICULUM THROUGH

# DIGITAL STORYTELLING AND INSTRUCTIONAL DESIGN

This is how it all started!

I am a current online MLIS student and former participant of the Library Tech Program at Pasadena City College.

It's time for a refresh...

Adapt and scale lessons and assignments from my favorite courses:

so Library Tech students can...

Video

Oral Storytelling

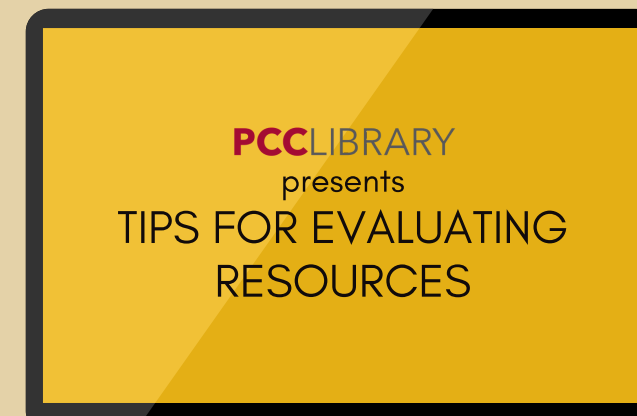

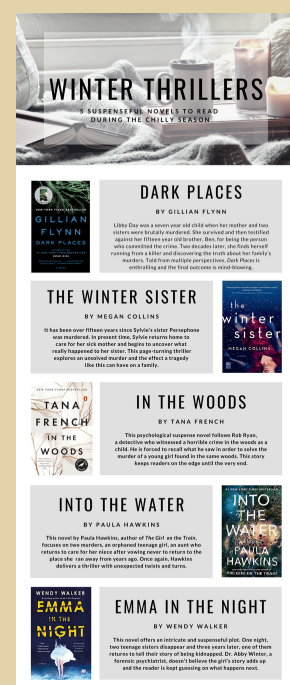

Podcasts

Social Media

Create and share digital stories...

Design digital reader's advisory tools, tutorials, workshops and social media content for libraries and organizations.

The goal!

Future library paraprofessionals learning practical skills to create content that fosters engagement with their communities.
