What is SIFT?

SIFT is a media literacy method, developed by one of our sponsors, **Mike Caufield**, that helps you identify misinformation. It stands for **STOP**, **INVESTIGATE** the source, **FIND** trusted coverage, and **TRACE** claims to their original source.

Challenge

Misinformation, the spread of false or inaccurate information, must be addressed in light of the **COVID** pandemic because...

It can confuse people

It can result in behavior that endangers others

It hinders progress towards ending the pandemic
