# ACCESSIBLE FORMS

With digital forms, people with disabilities have a faster way to reach the help they need.

#### Before the pandemic...

When people with disabilities want to seek help, they have to meet with a staff of the Alliance of People with disAbilities to fill out an intake form. This can take more than **4 hours**.

### With online forms...

New consumers can start the intake process on their own devices without traveling to the Alliance's office.

# **LESS TIME ON PAPER**

# MORE TIME WITH PEOPLE

## **About the Alliance**

The Alliance of People with disAbilities is a nonprofit in King County, Seattle, that connects people with disabilities to empowering resources and living plans.

## **Online forms help the Alliance:**

Store consumer data online

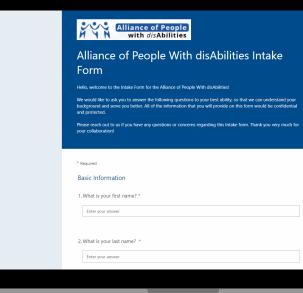

Improve communication with clients

Update content whenever they want to

#### **Key features:**

**Conversational language** 

#### **Easy database integration**

#### Manageable content clusters
