

Skill Swap App

Explore Your Interests and Share Your Skills

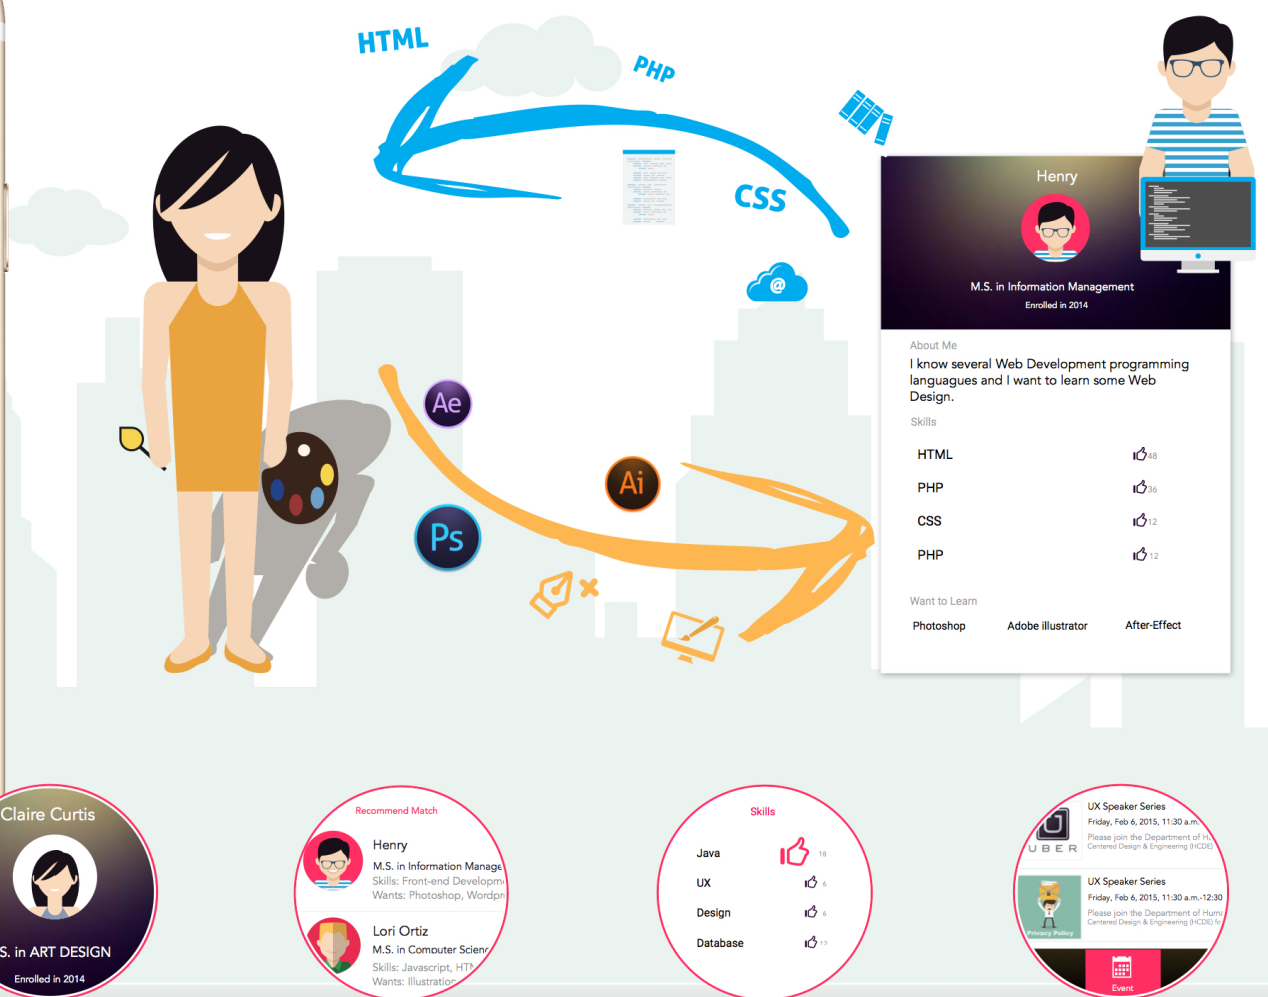

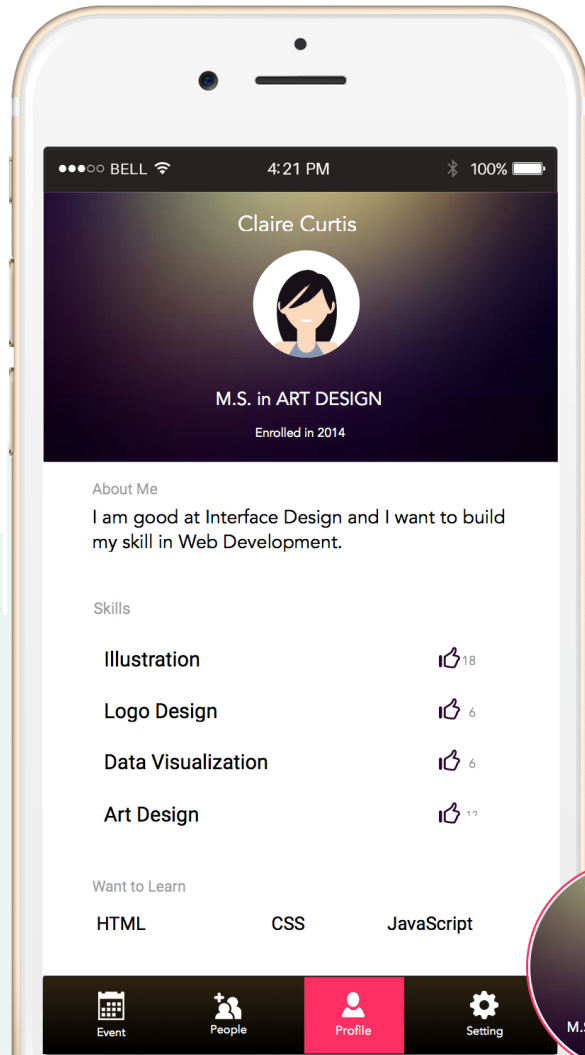

Yuhan Guo, Xiao Tong, Xinyu Zheng, Chen Zhu

Problem

Students have difficulties finding partners to learn new skills. Many events offered by UW are underutilized.

Solution

An iOS mobile application that features an exciting way to share and learn skills with other UW students.

Sponsored by: Greg Hay

Build Profile

Create your profile with basic info and skills you want to learn and share

Find Matches

Contact recommended partners whom you want to learn from

Endorse Skills

Endorse skills of others and be proud of skills that people endorsed

Discover Events

Browse recommended events and save the events that interest you
