

HOW CAN WE MEET FUN PEOPLE WHILE TRAVELING?

? Problem

- While traveling, you can have difficulty getting the inside scoop on where to go or what to do.
- Meeting new people can be difficult when you don't know who will be friendly and who will give you the freeze.
- Friends are back at home and may not be available to give advice on what to do next.

\$\$ Monetization

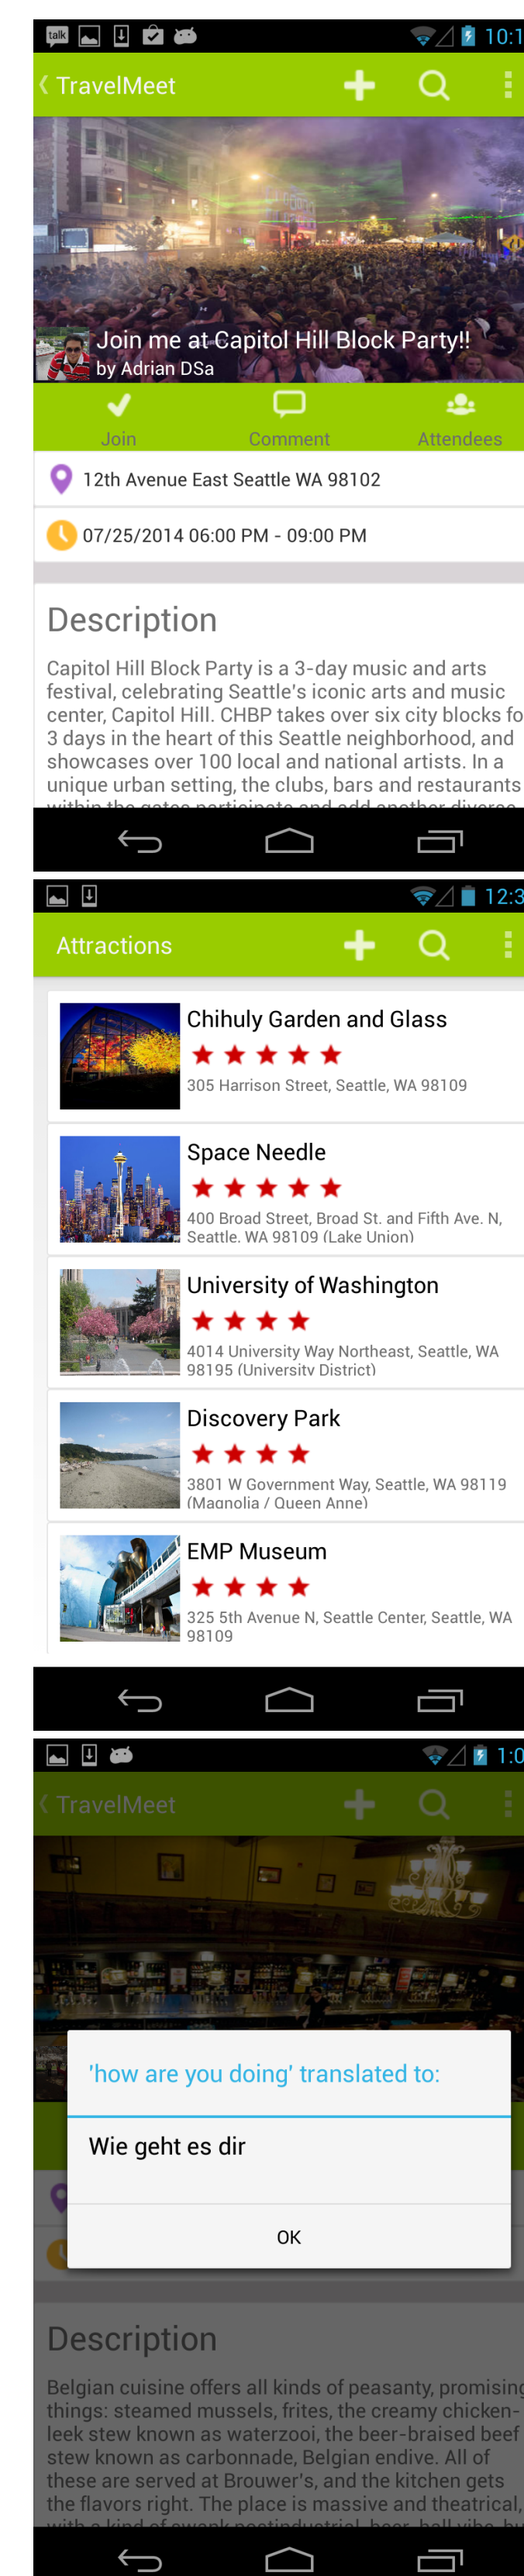

- Partner with local businesses, marketers, and event organizers for traveler-friendly events
- Partner with conference centers, hotels, and wedding parties for group travel events

Team

- Passion for travel and tech
- Experience and network in travel and tourism industries
- Developers with startup and corporate tech experience

💡 Solution

- A mobile app will allow travelers to find events and meet others in a spontaneous and fun way!

Connect with other travelers by joining and creating fun activities.

Discover new places to explore.
