CREATE / ANALYZE / REFINE / PUBLISH

BrandInk is an app that lets businesses understand their online posts from the customer perspective

## CREATE CONTENT

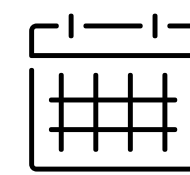

Create your content using our in-app editor, for multiple platforms.

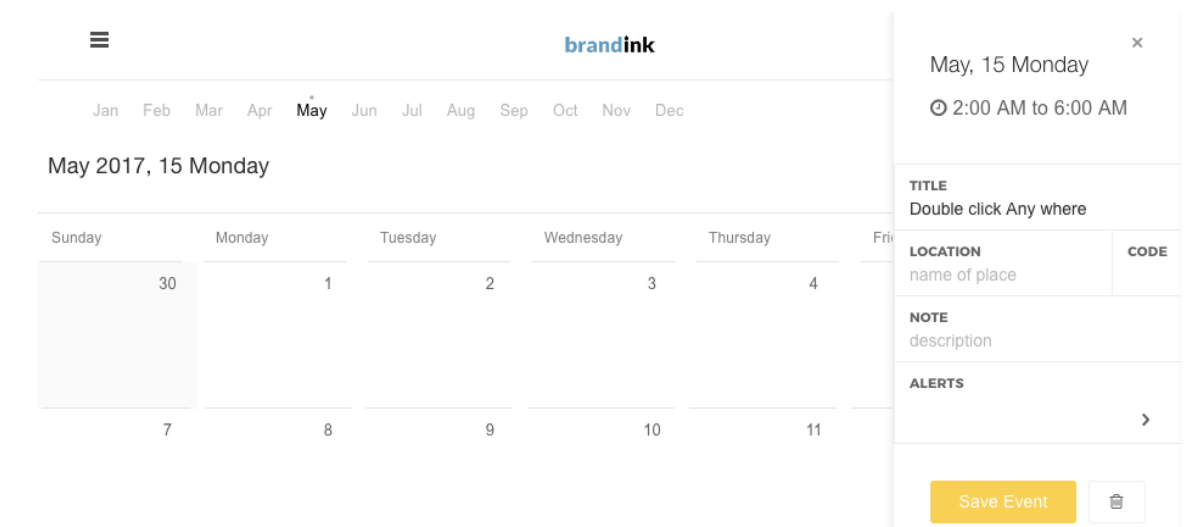

## REFINE YOUR MESSAGE

Use our recommendations to improve your message, and reach even more people.

## SCHEDULE POSTS

Regular updates are essential for success. Monitor and plan posts.

## CROSS PLATFORM PUBLISHING

## TRACK USER SENTIMENT

## IDENTIFY CONTENT VICTORIES

## HOW IT WORKS

1

We first ask who you are as a business, so that we can give you the best suggestions possible.

2

Next, you enter your social media post, identify your target audience, and describe your business goal for your content.

3

BrandInk then gives you feedback based on your customer's perspective.
