What Can Cicero Do For You?

Study Smart

A smart summarization system that can simplify the language to make it more readable.

Use It Anywhere

With our responsive web interface, you'll be able to access and use Cicero from almost any web-capable device.

Take & Upload Pictures

Can read text from images! Feel free to upload more than just PDFs or doc files. Mobile photos of articles or textbook pages on the spot work too!

Your Documents, Your Style

Customize your documents - from notecards to chapter summaries, PDFs, etc. - We've got you covered.

"Most students (about 80% according to survey data) "study" textbooks and other assigned reading material by rereading them."

— Faculty Focus

"The average reader spends about 1/6th of the time they spend reading actually rereading words."

— The Literacy Company
