

Connecting the Dots:

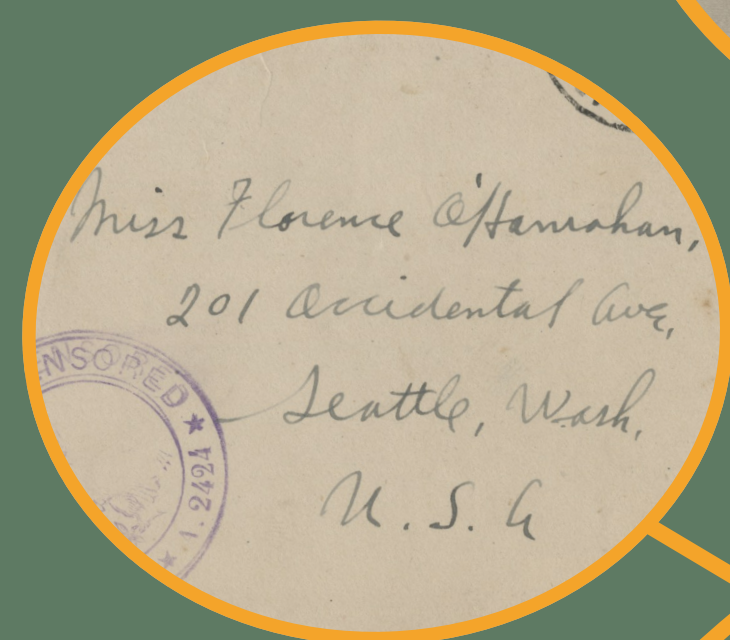

Sharing SPL's resources through one family's story

MLIS 2016 Candidates:

Ilse R. Allison

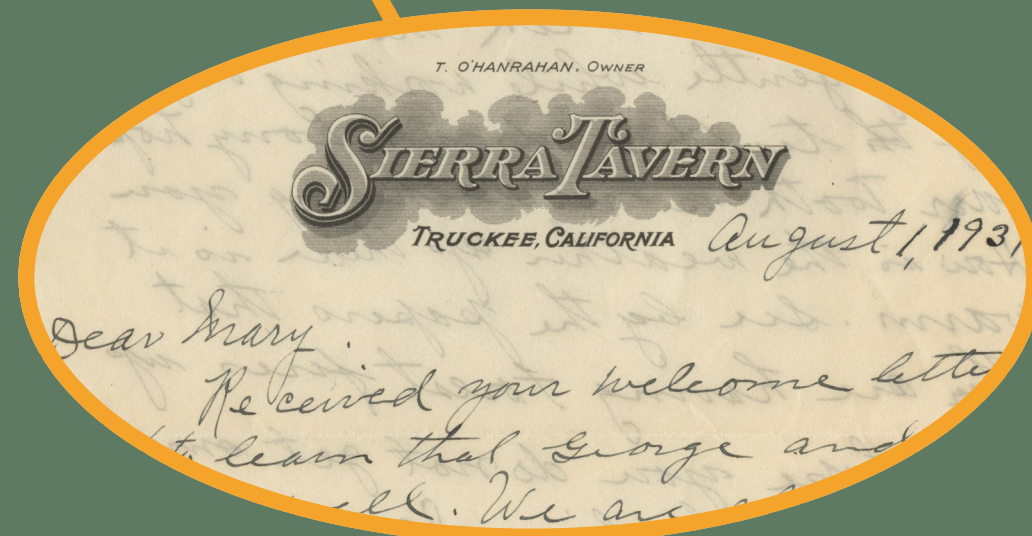

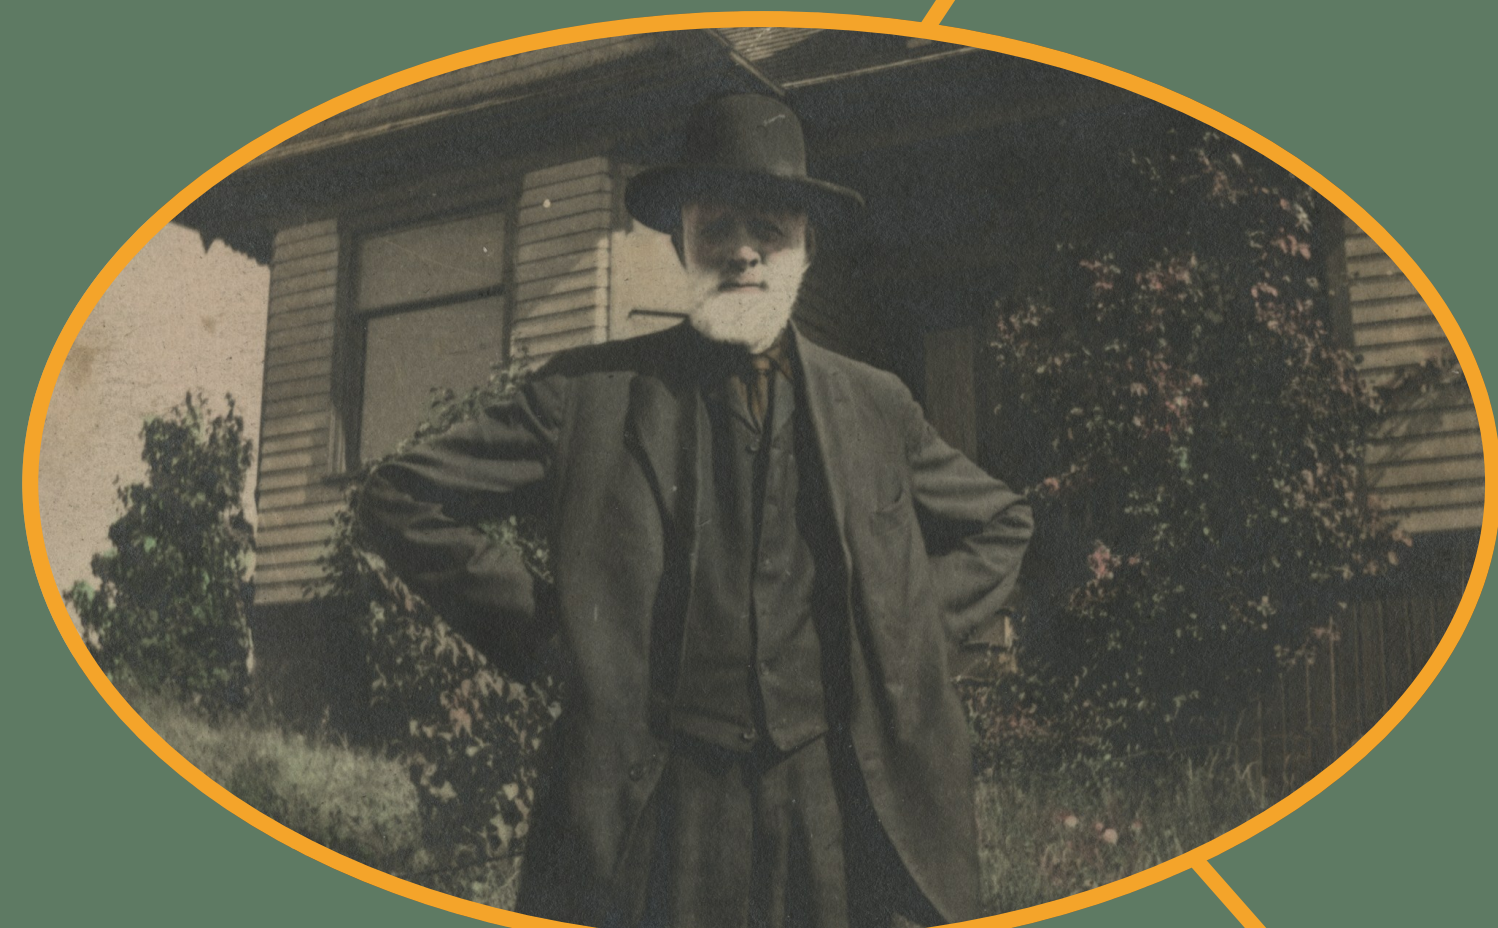

Devon R. Olson

Lizzy Tegeler

Process

- Accession O'Hanrahan collection of letters, photographs, & ephemera
 - Conduct environmental scan
 - Create a new model of enhanced bibliographic access

Problem

- Patrons face obstacles when accessing archives
- Conventional finding aids are not easily discoverable by general web users & do not take advantage of current and emerging technologies

Outcome

- Recommended new outreach policies & enhanced access venues
- Created an online book as a new model of enhanced bibliographic access
