

Don't let dietary restrictions, restrict your shopping

## FIND SAFE FOODS IN 3 EASY STEPS

1

### Add Restrictions

Input dietary restrictions for yourself and friends & family members

2

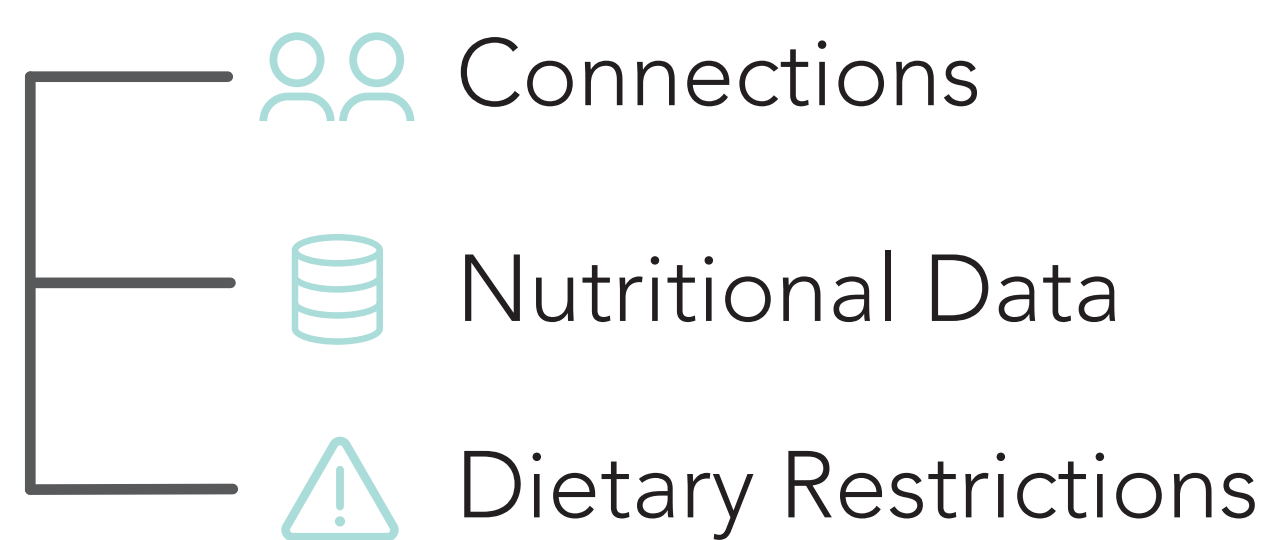

### Scan Products

Scan food products and get an overview of the product's nutritional contents

3

### See Conflicts

Immediately see what conflicts with the dietary restriction(s) of someone you are shopping for

**3 out of 5** Americans restrict at least 1 nutritional component of their diet\*.
