De-Stress Your Travel

Rheanna Mistry, Project Manager  
Vivyan Woods, Developer  
Emilee Smalley, Visual Designer  
Joanna Koseff, UX Designer

## Problem

An average of **57,832** patrons visit SeaTac International Airport each day

**TSA** wait times are not readily available to SeaTac patrons

There are no clear **maps** available of shops and amenities in the airport

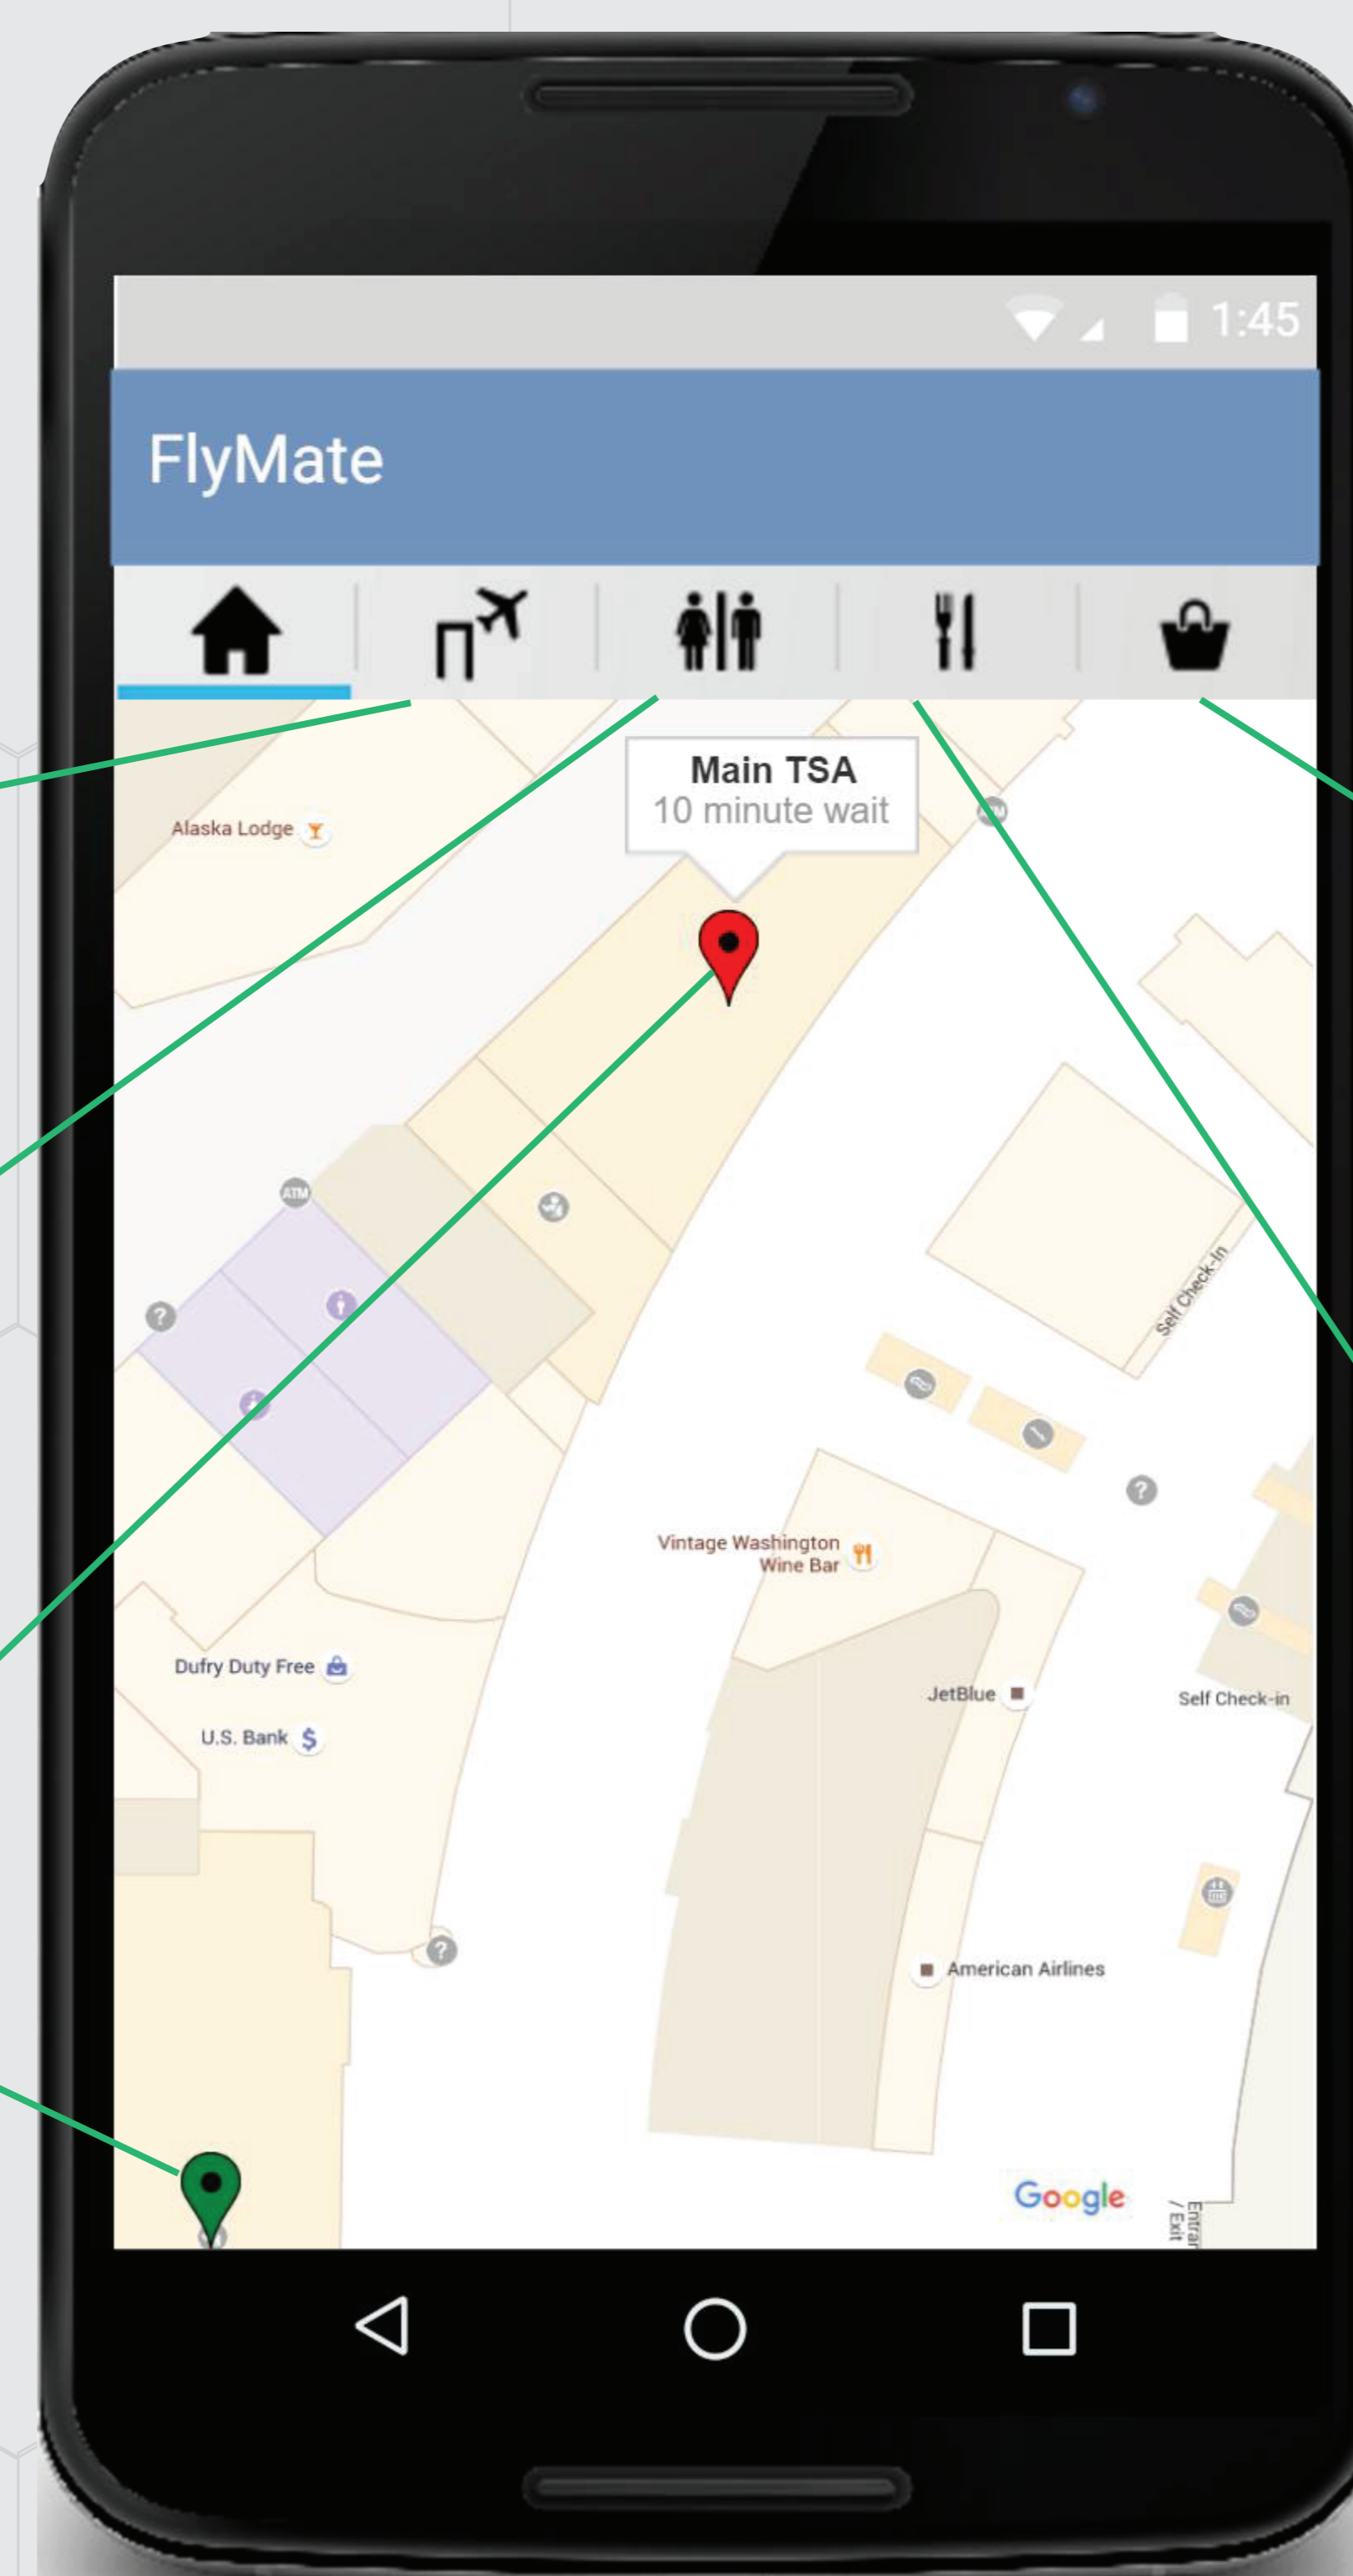

This causes unnecessary **stress** for those traveling in the airport

## Solution

Locate Your Gate

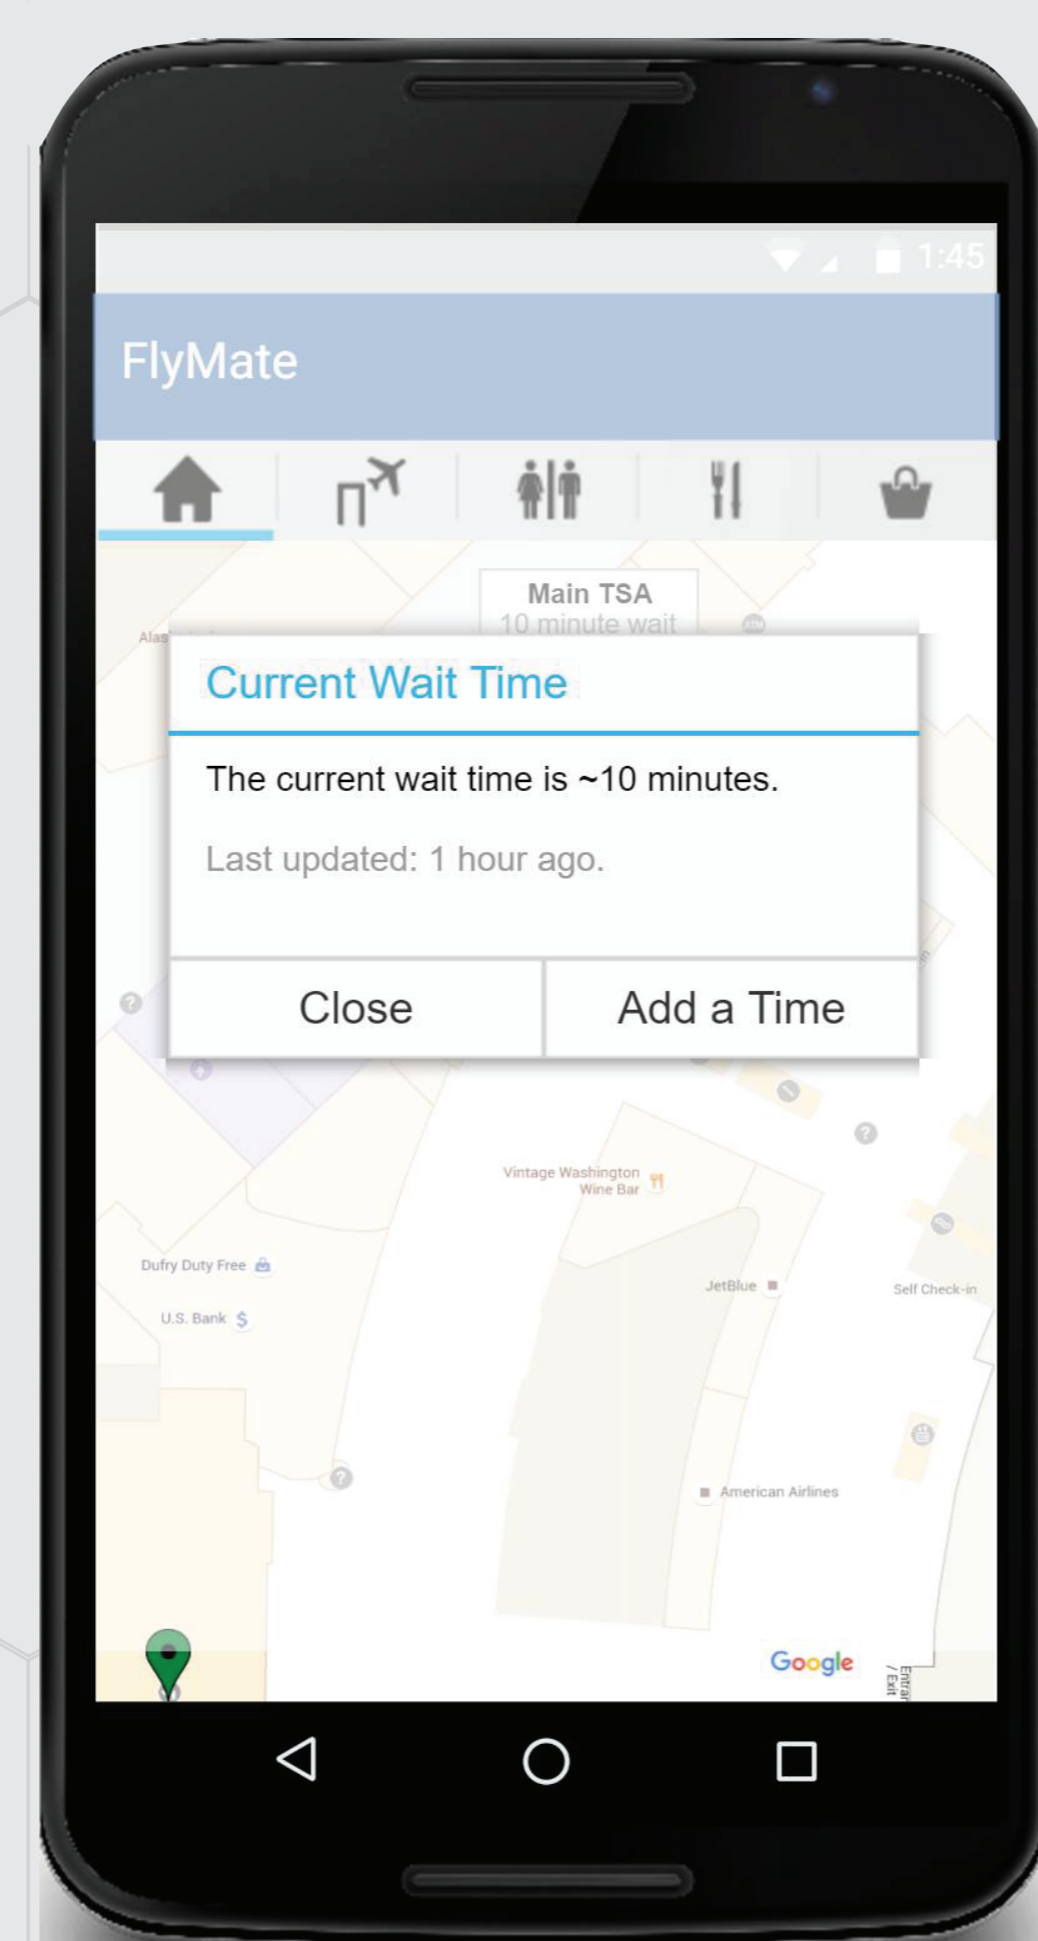

Locate Nearby Restrooms

Find Shortest TSA and Baggage Lines

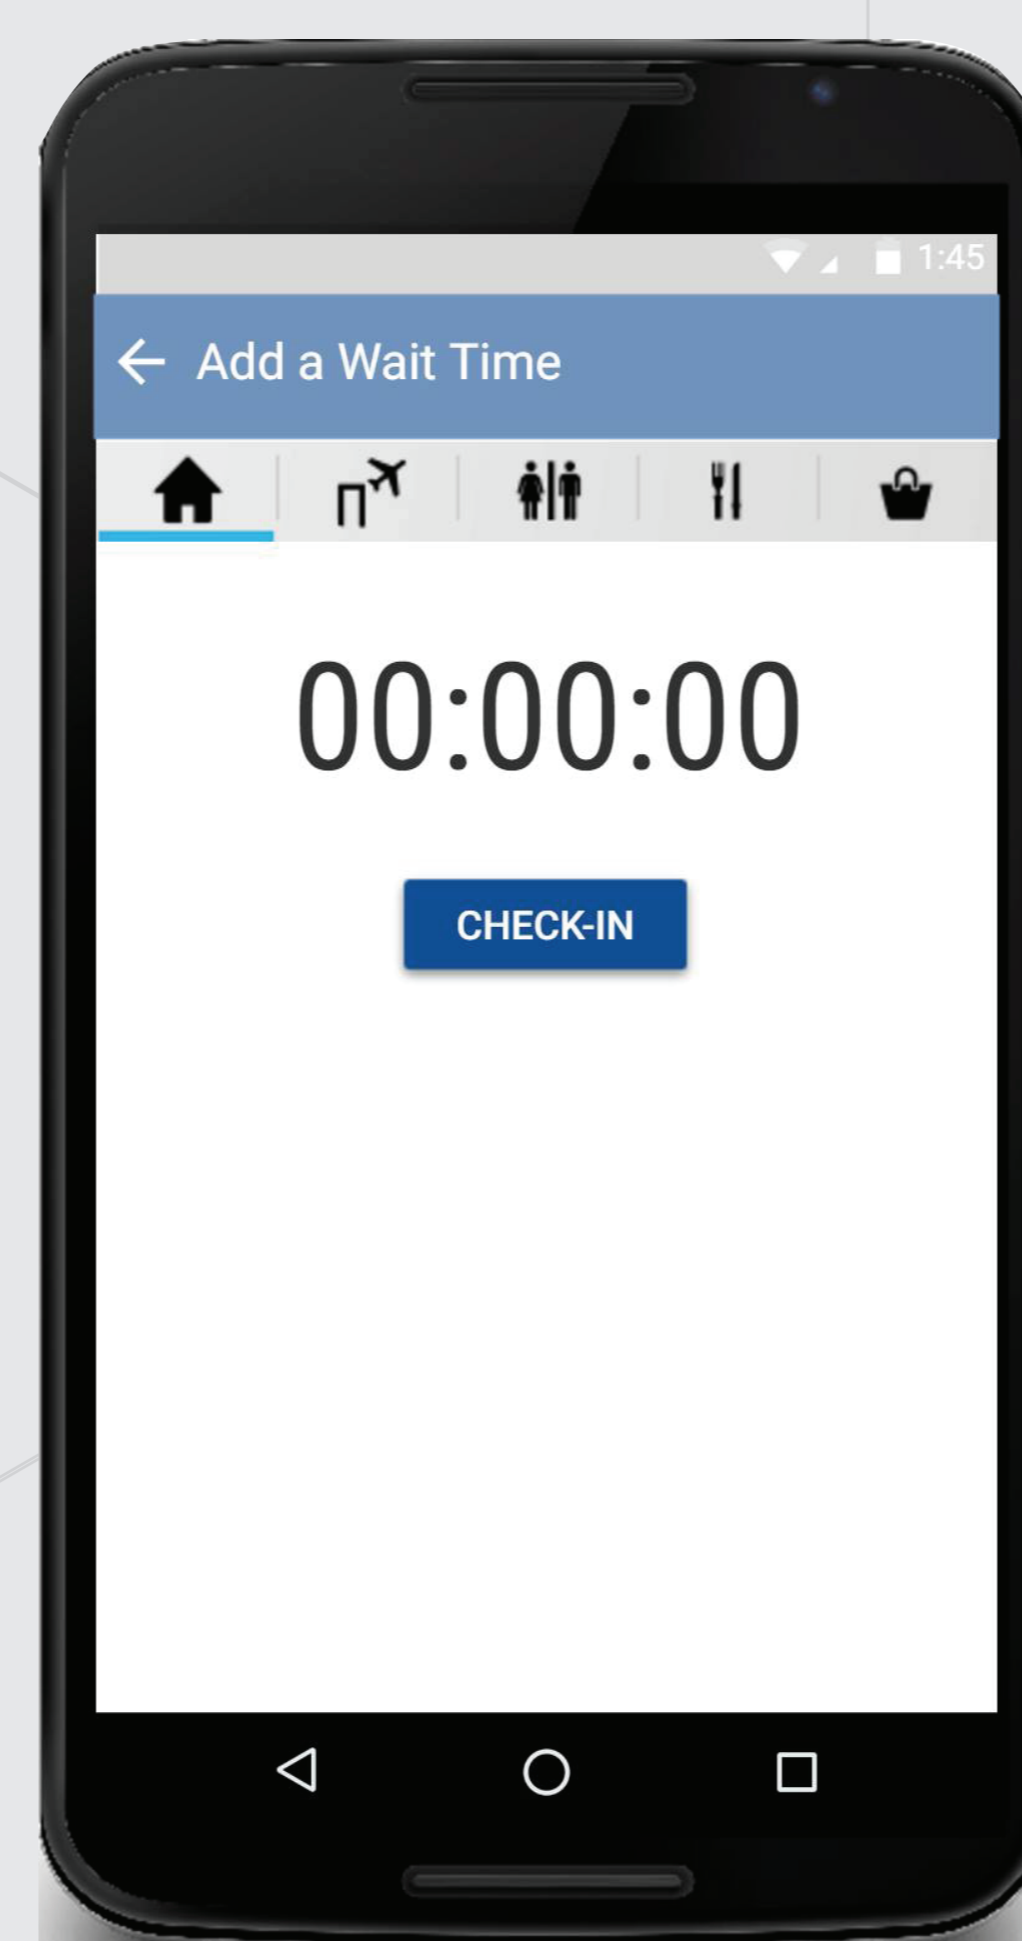

Search and Locate Shops

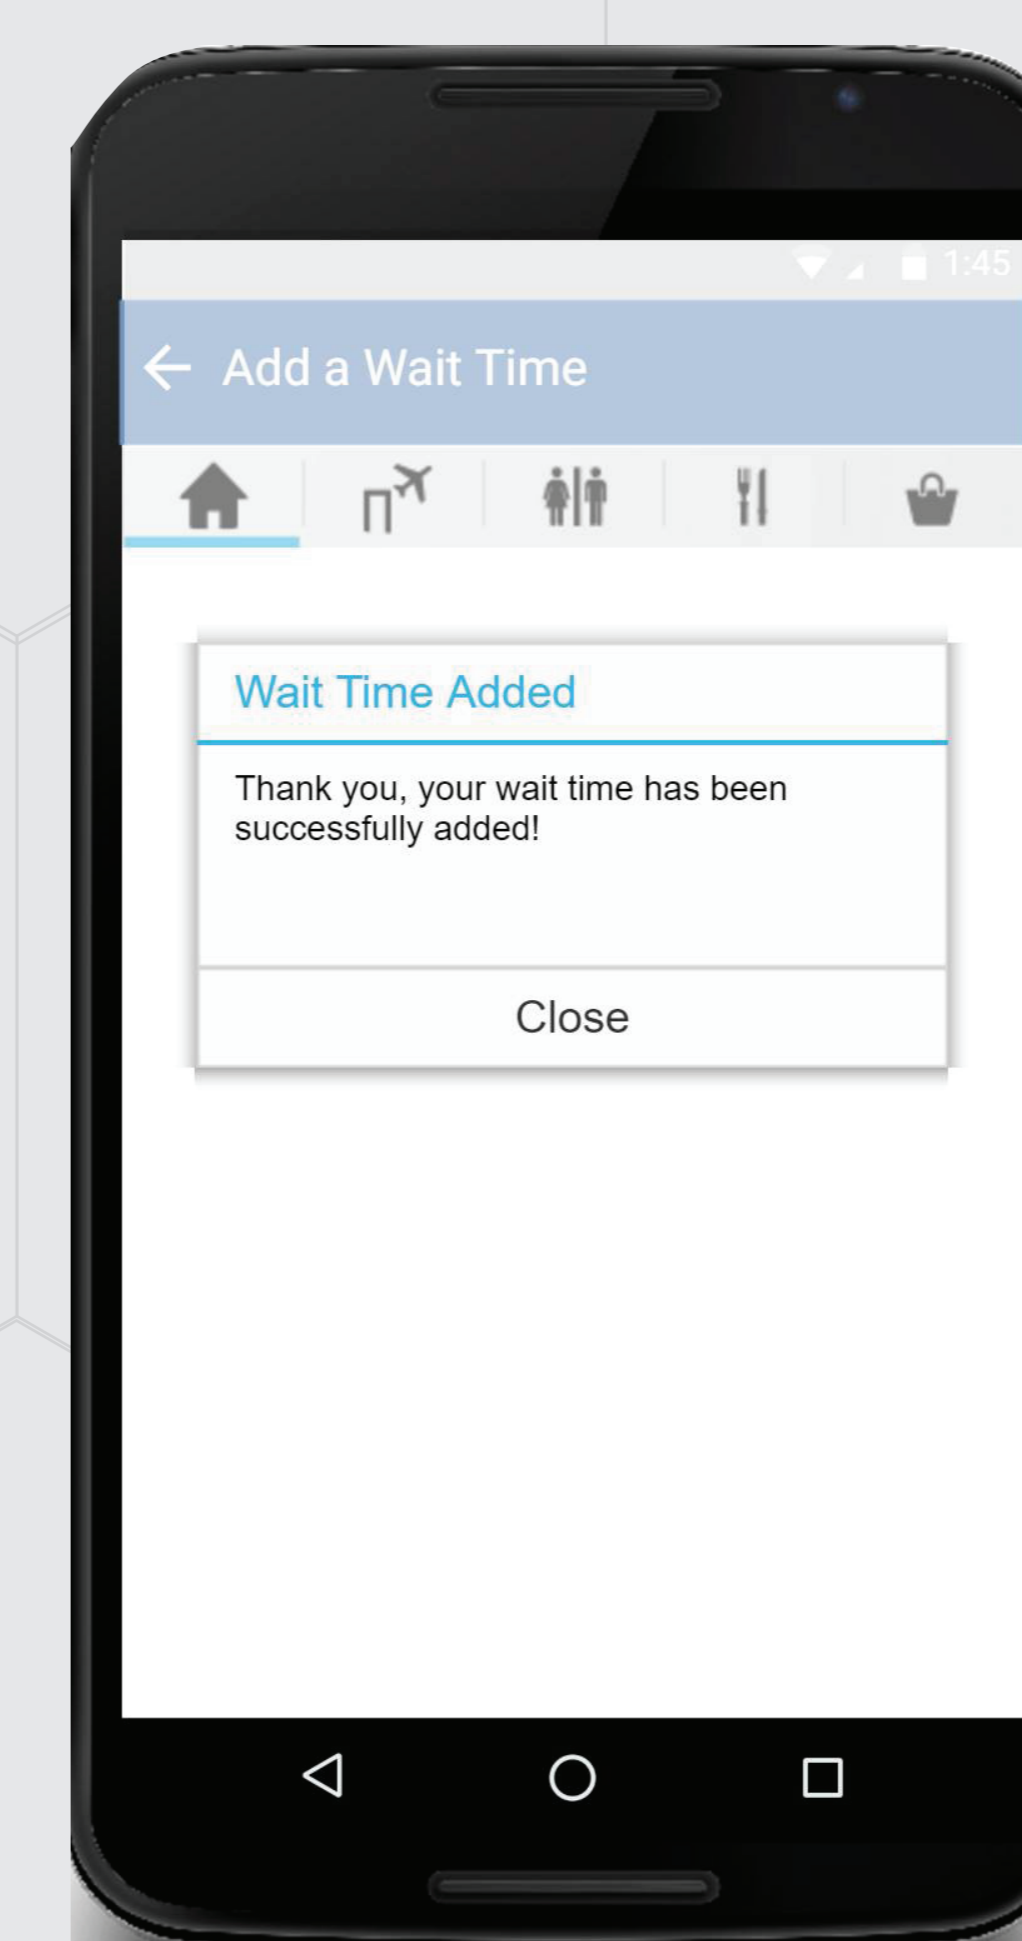

Search and Locate Restaurants

Tap Shortest Wait Time

Add Your Wait Time

Go!

## Research

Out of 150 surveyed, the **top 3 stress points** of going through the airport were identified:

#1: **TSA lines**

#2: **Baggage Check**

#3: **Locating Shops, Restaurants, Facilities and Their Gate**
