

PROBLEM

How can we help amateur photographers improve their skills?

- Formal classes are **expensive** and time consuming
- Social Networks (ie Instagram, Facebook) do not encourage **critical feedback**
- Photography sites focus on **professionals**, not amateur photographers

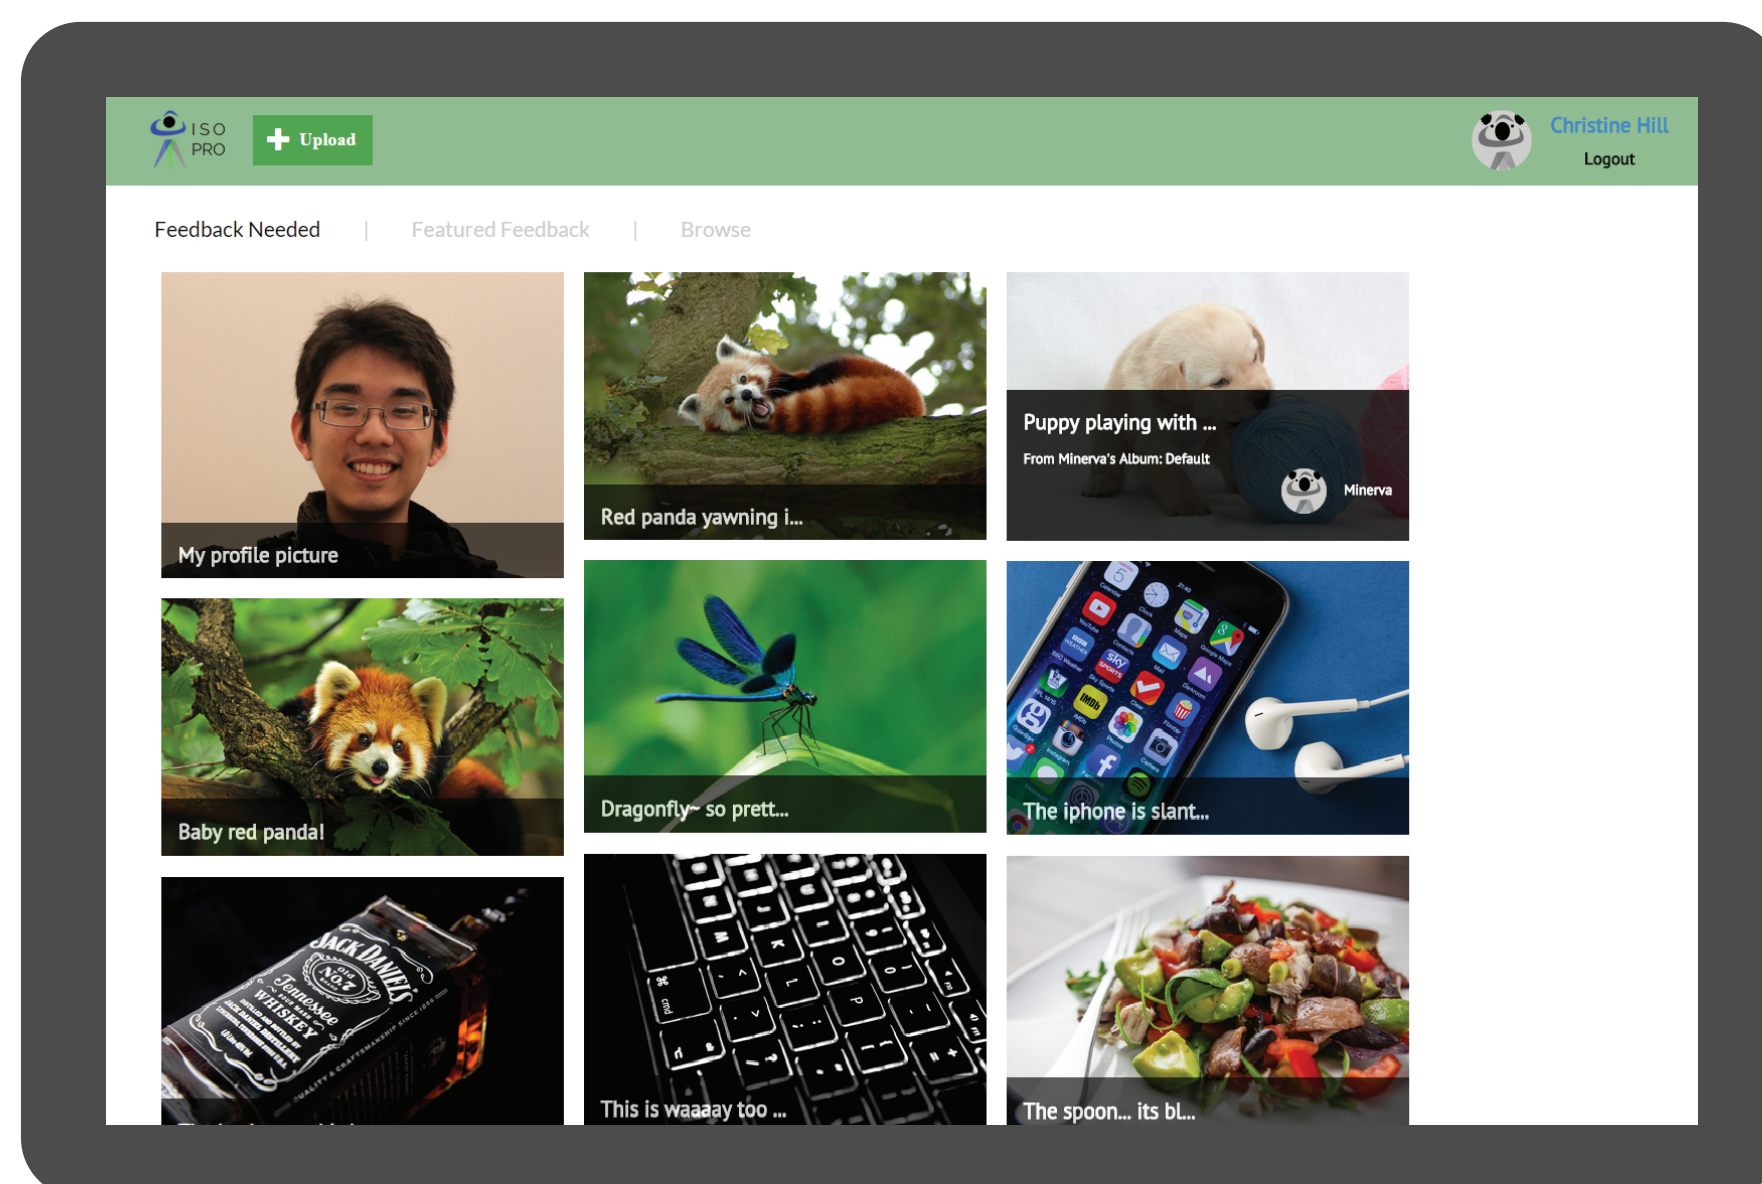

SOLUTION

ISOPRO is an **online community** that is built to **help photographers** of all levels **improve their skills**.

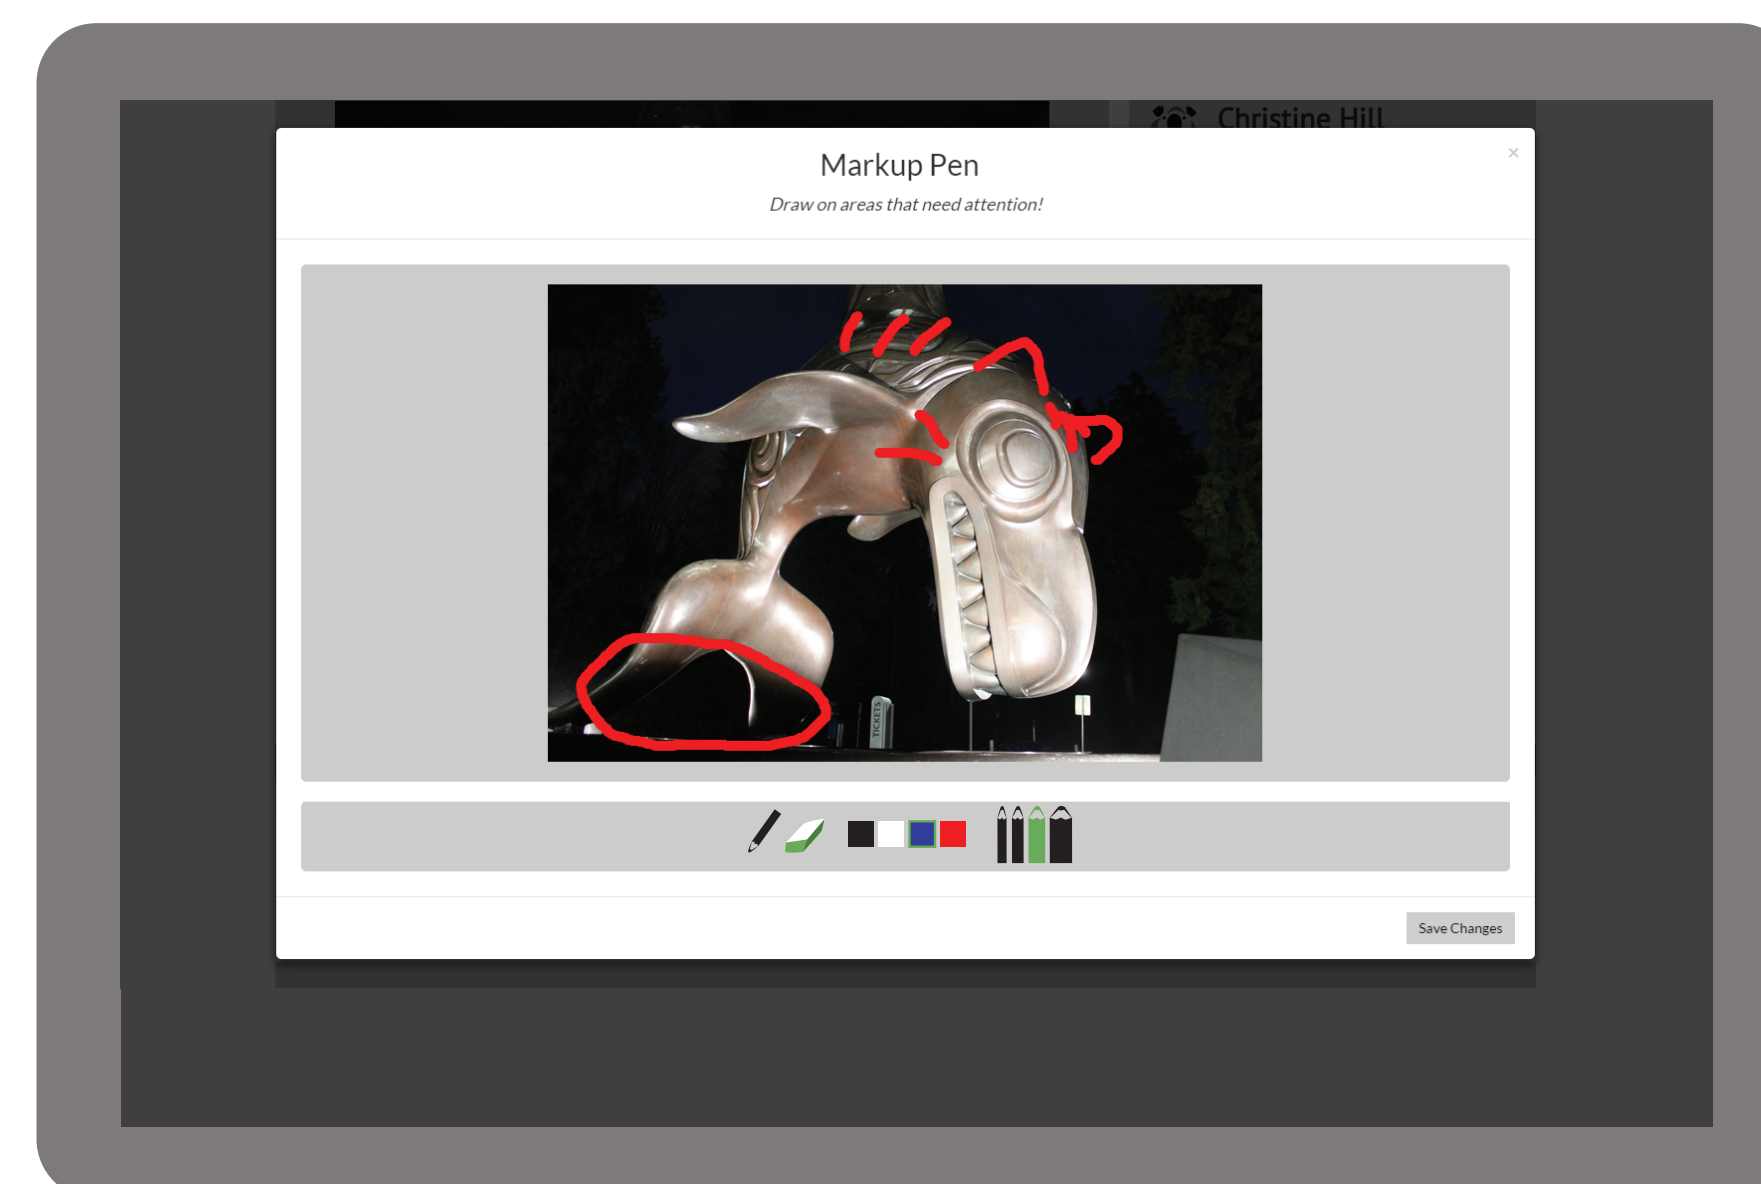

- Point System:** An incentive to give constructive feedback!
- Automatic Feedback:** Generic tips to instantly help you improve your photos!
- Mark-up Tool:** Mark problem areas on the photo for easy communication.
