

# Scaffold

where work gets done

Nearly a **million jobs** are posted to **Craigslist** each **week** that range from landscaping to construction. Craigslist, and similar online platforms, offer **little protection** or **assurance** to both job seekers and job posters. Other services that do, such as **Labor Ready**, require **strict guidelines** and a **long hiring process**.

Scaffold is an **online communication** platform that **connects** people seeking to **work** with people looking to **hire**.

quick

Complete 3 easy steps as a worker or employer.

direct

Message Scaffold users before hiring or accepting your first job.

dependable

A two-way review method minimizes abuse and unintentional use.
