

UW Splaces

Companion App for UW Campus Tours

W

Splaces is a native android app that puts 154 years of history in the palm of your hand.

It modernizes the existing Spaces and Places tour, converting it from a paper-based medium to a digital one.

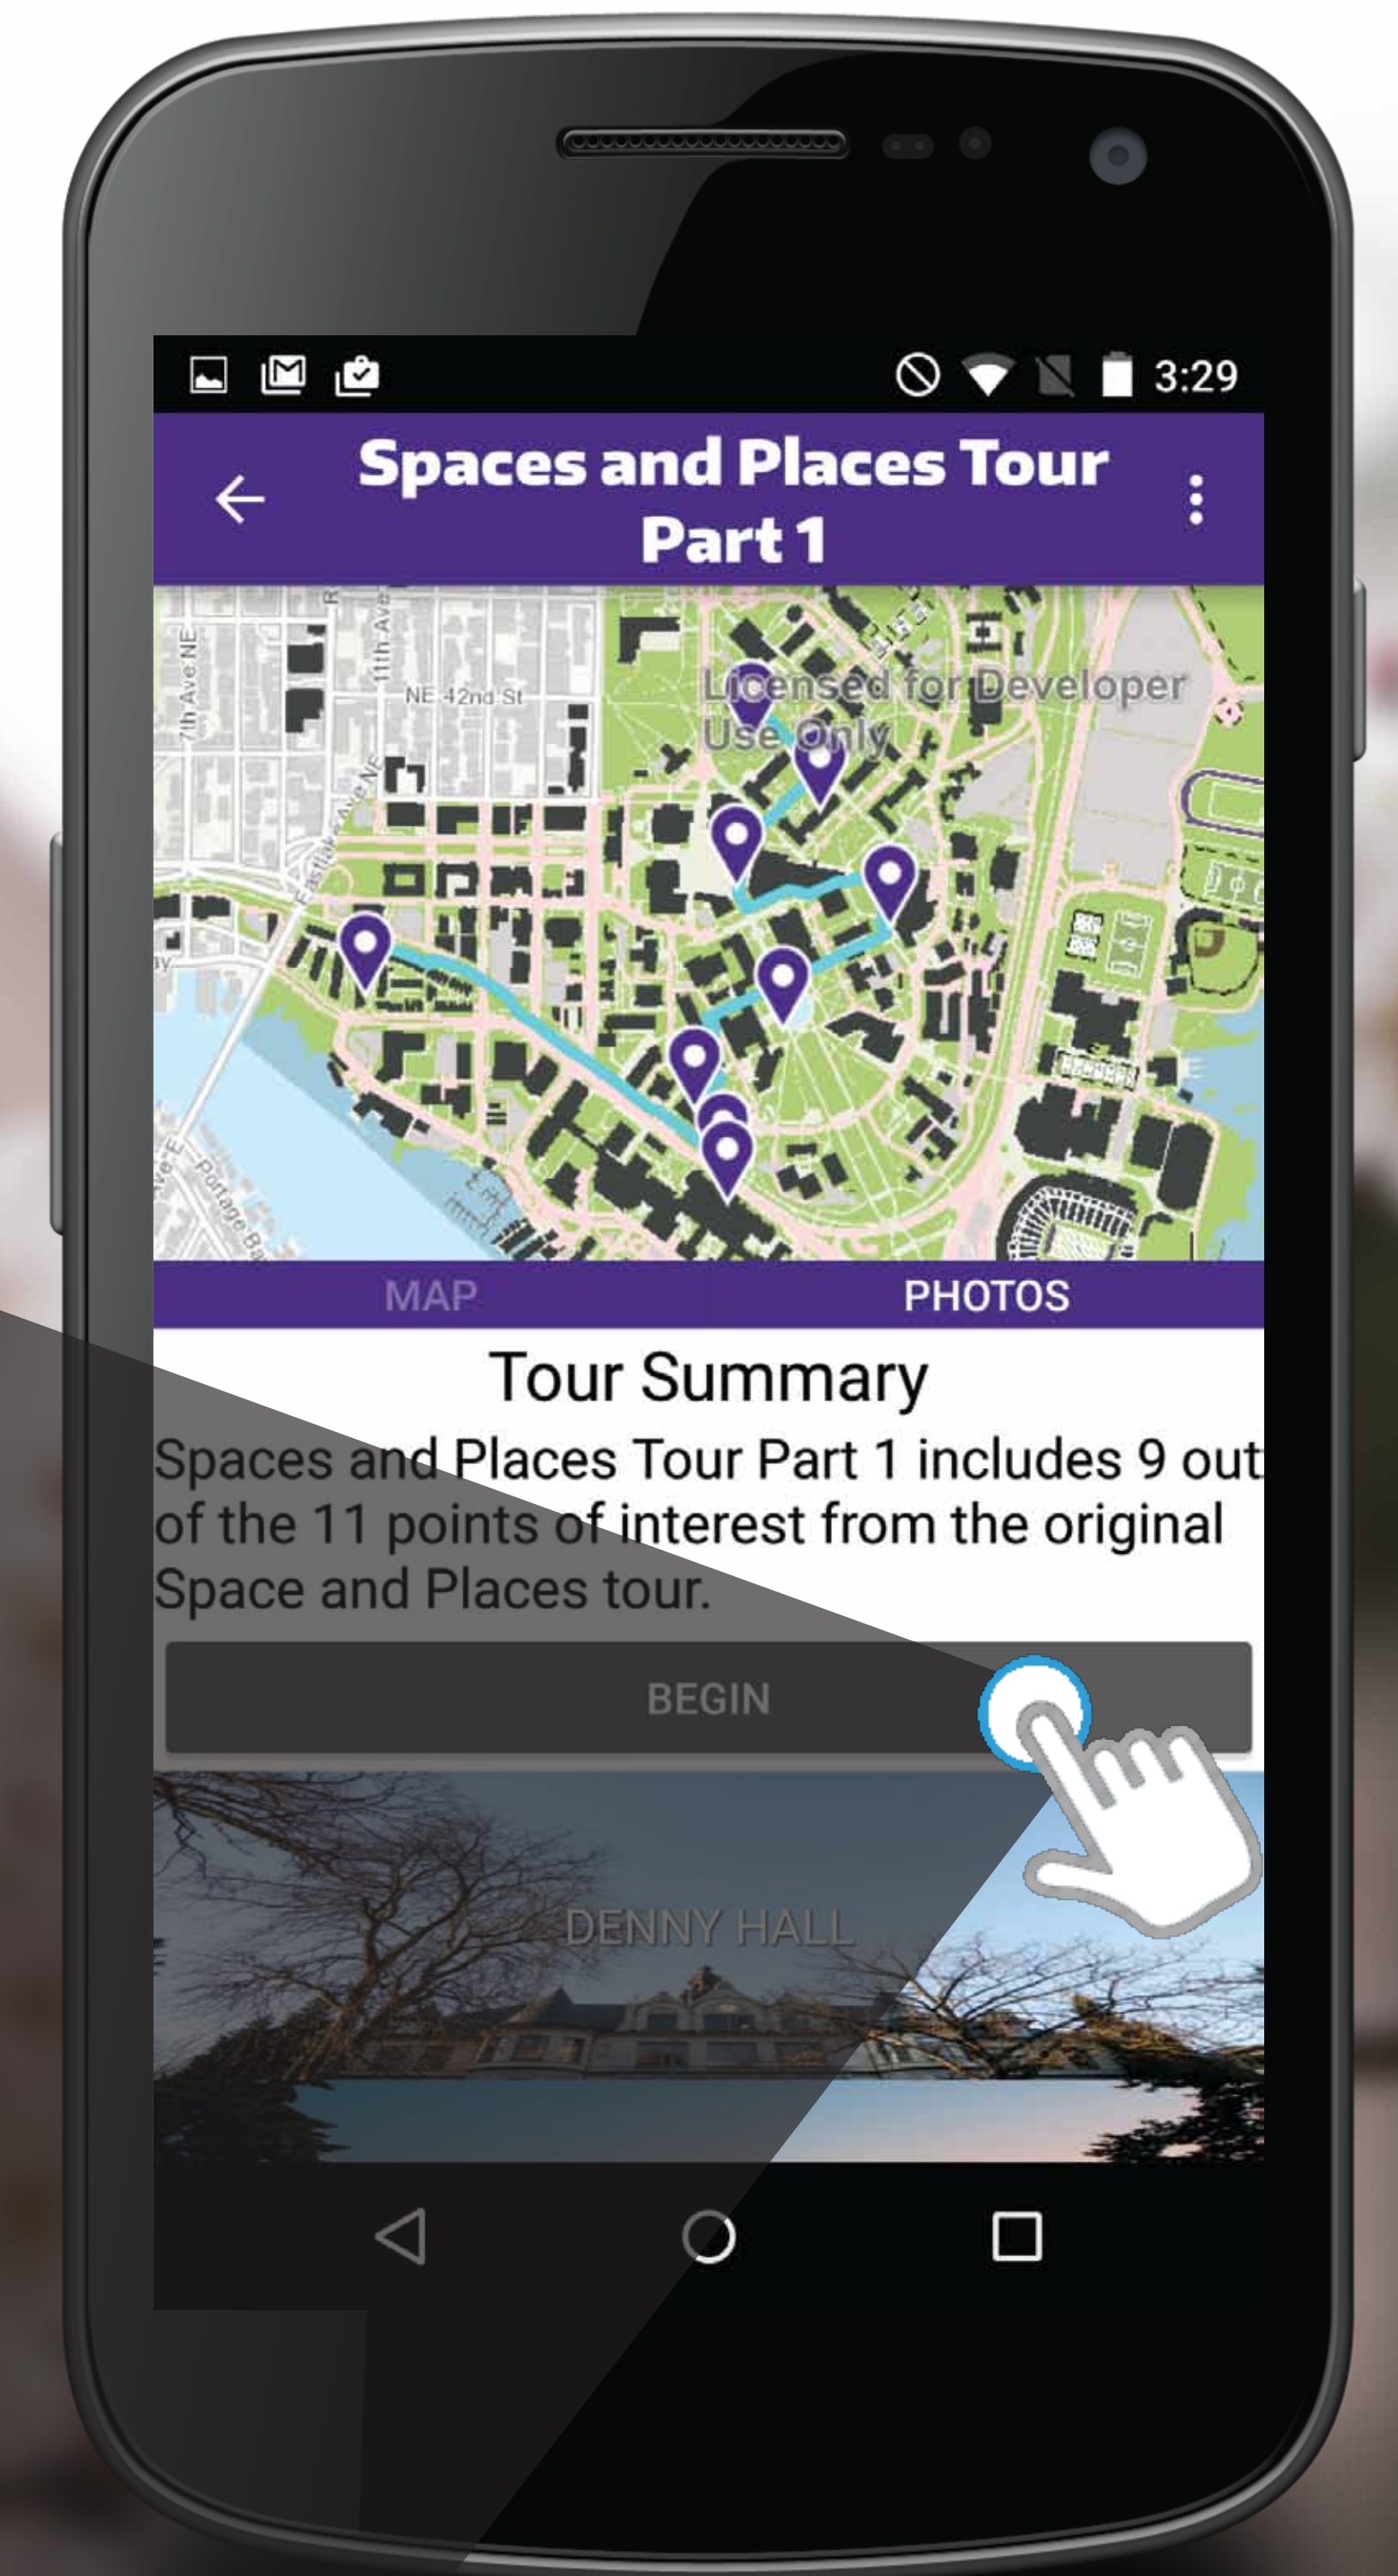

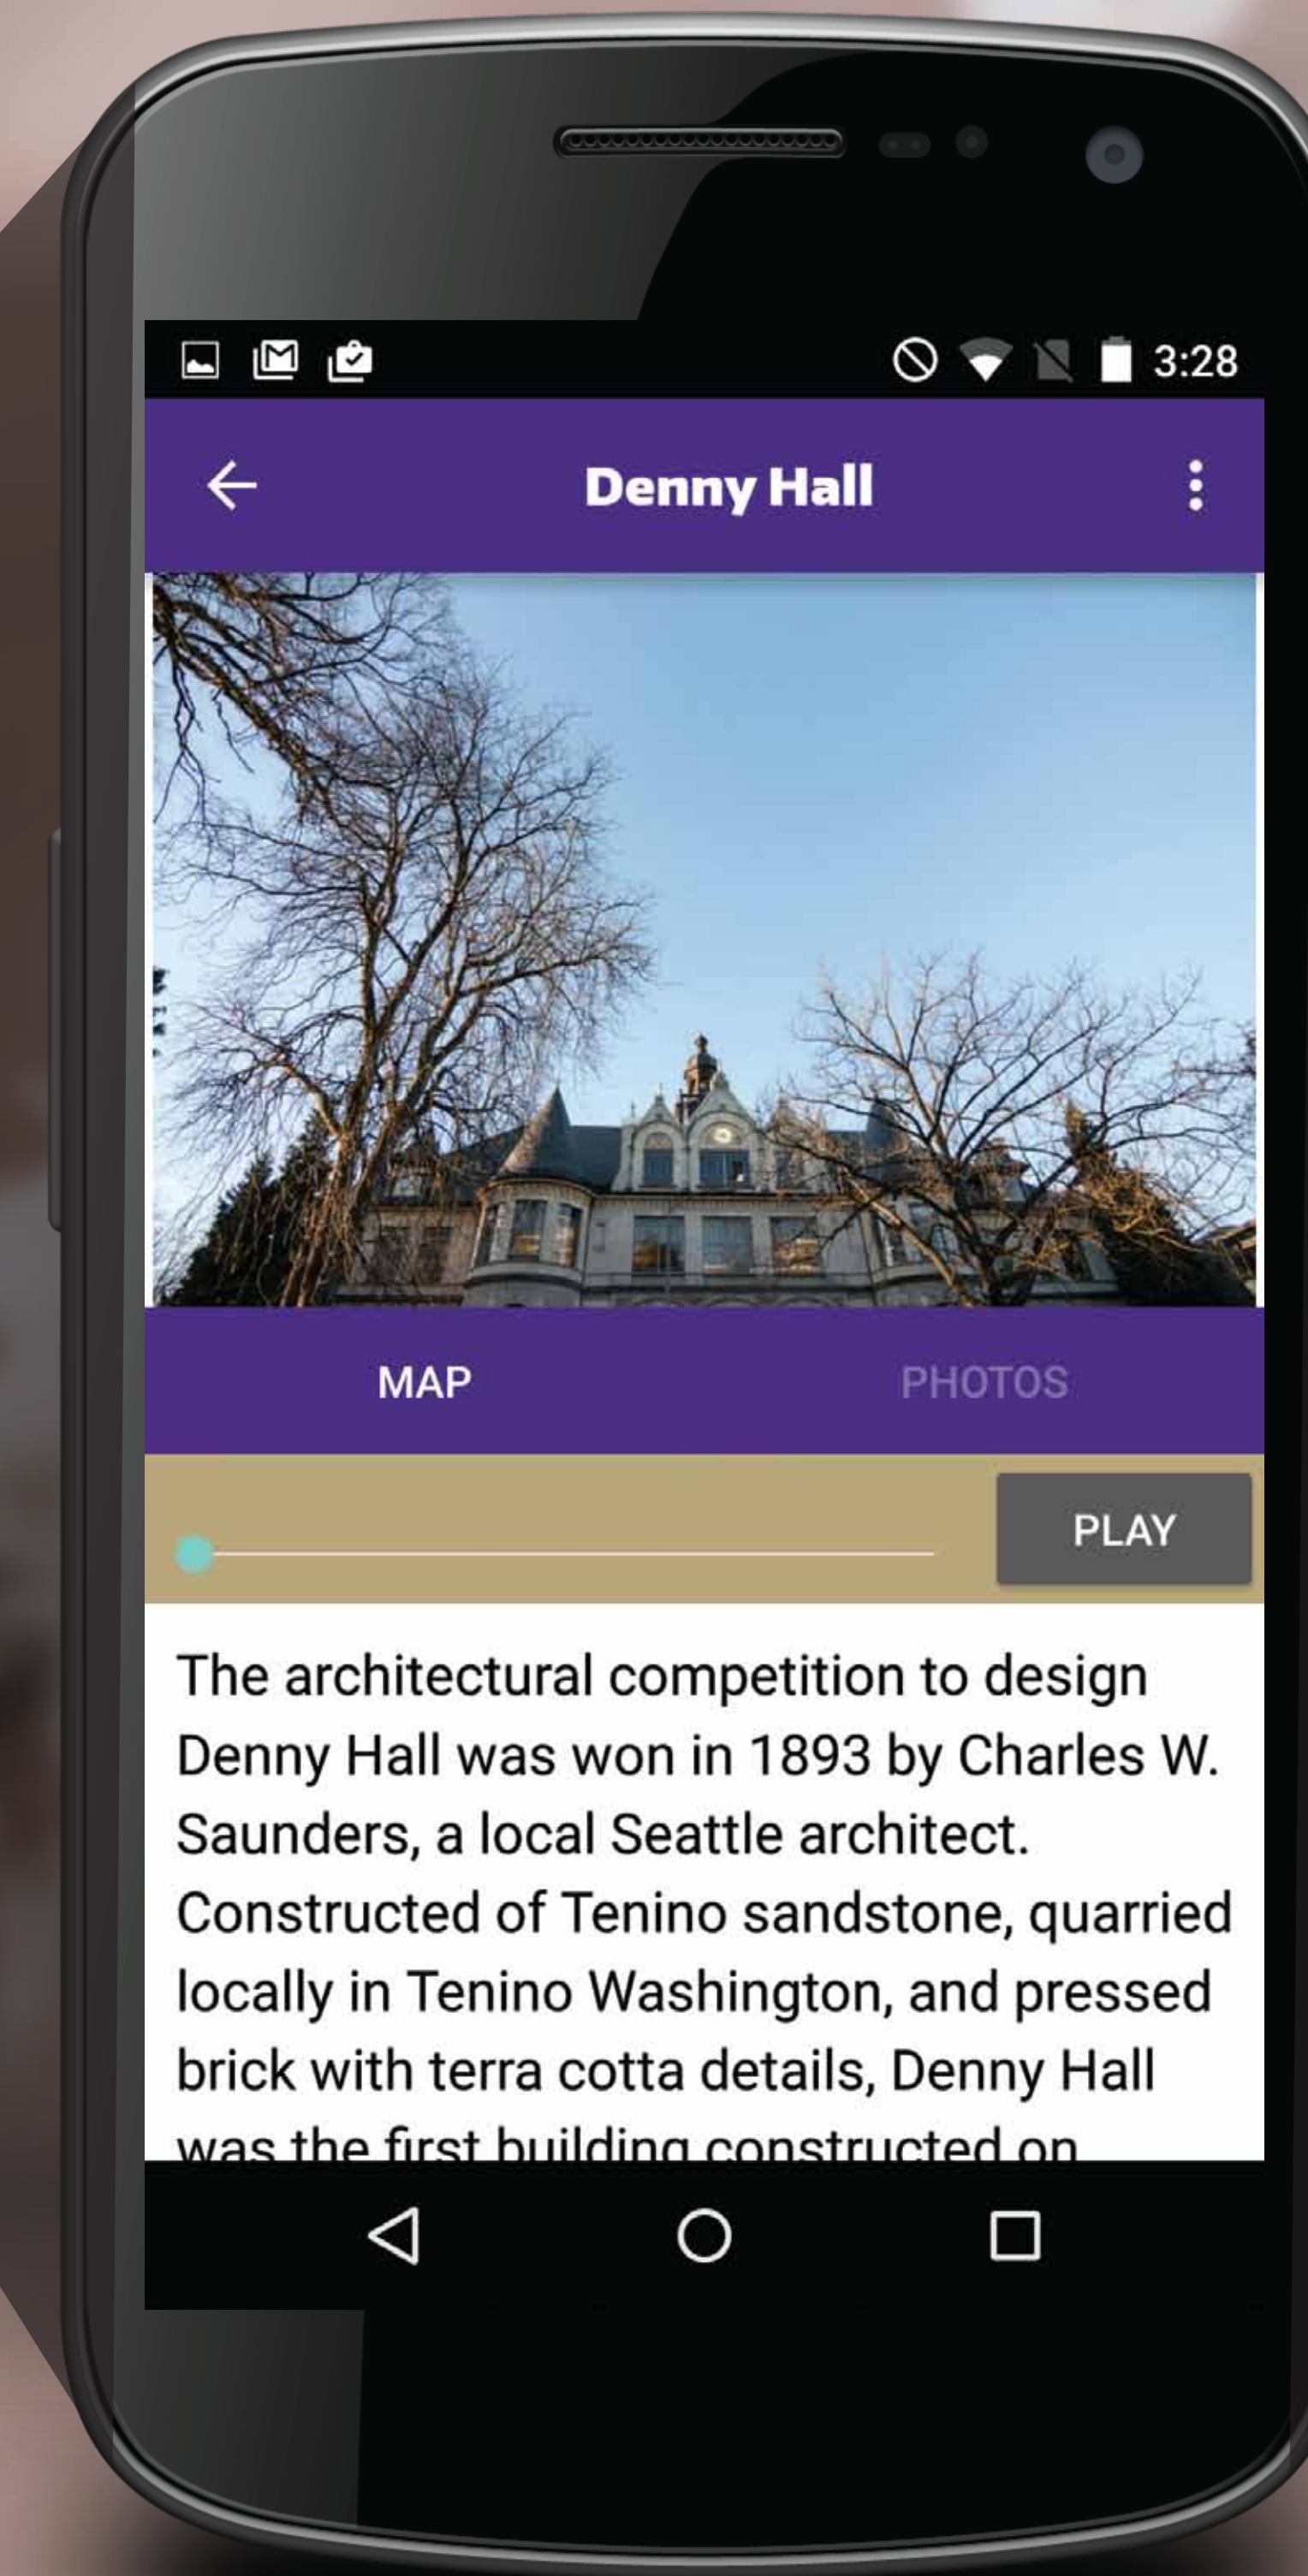

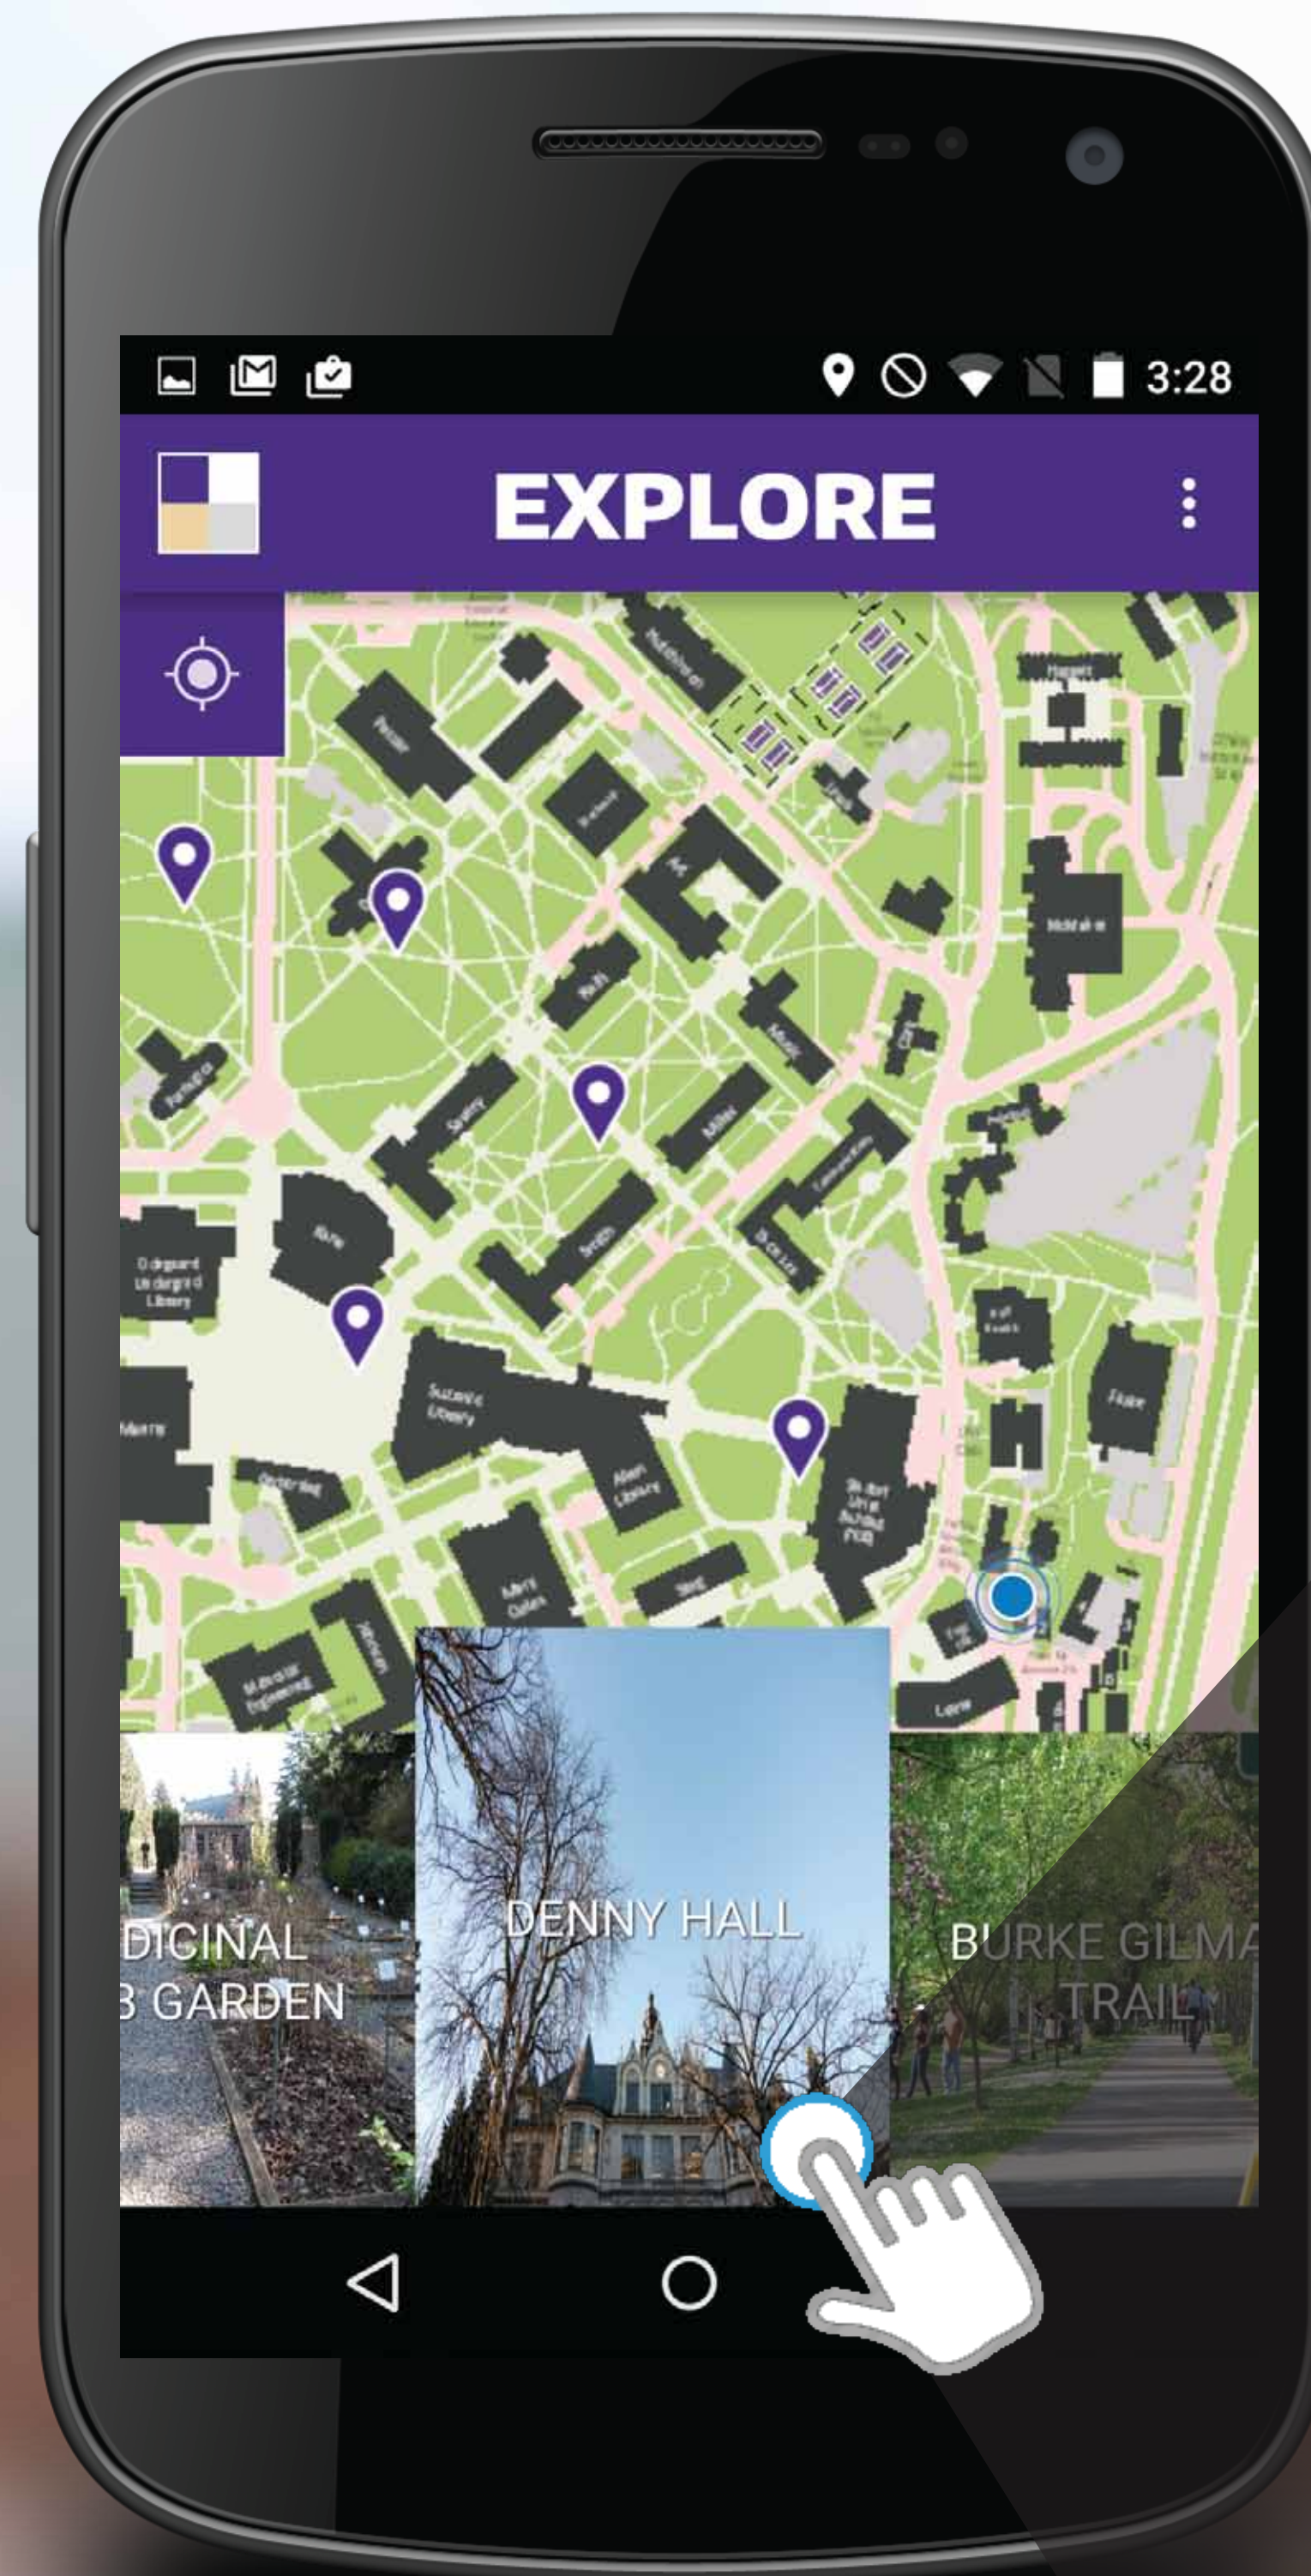

It showcases the potential of UW's GIS-driven campus maps and data infrastructure.

Features

-  Points of Interest
-  Audio & Transcripts
-  Tours
-  Campus Map & Navigation
