## PROBLEM

TV viewership has declined as more people watch movies and shows online, but people can't tell or don't care if a service is legal or illegal. As a result:

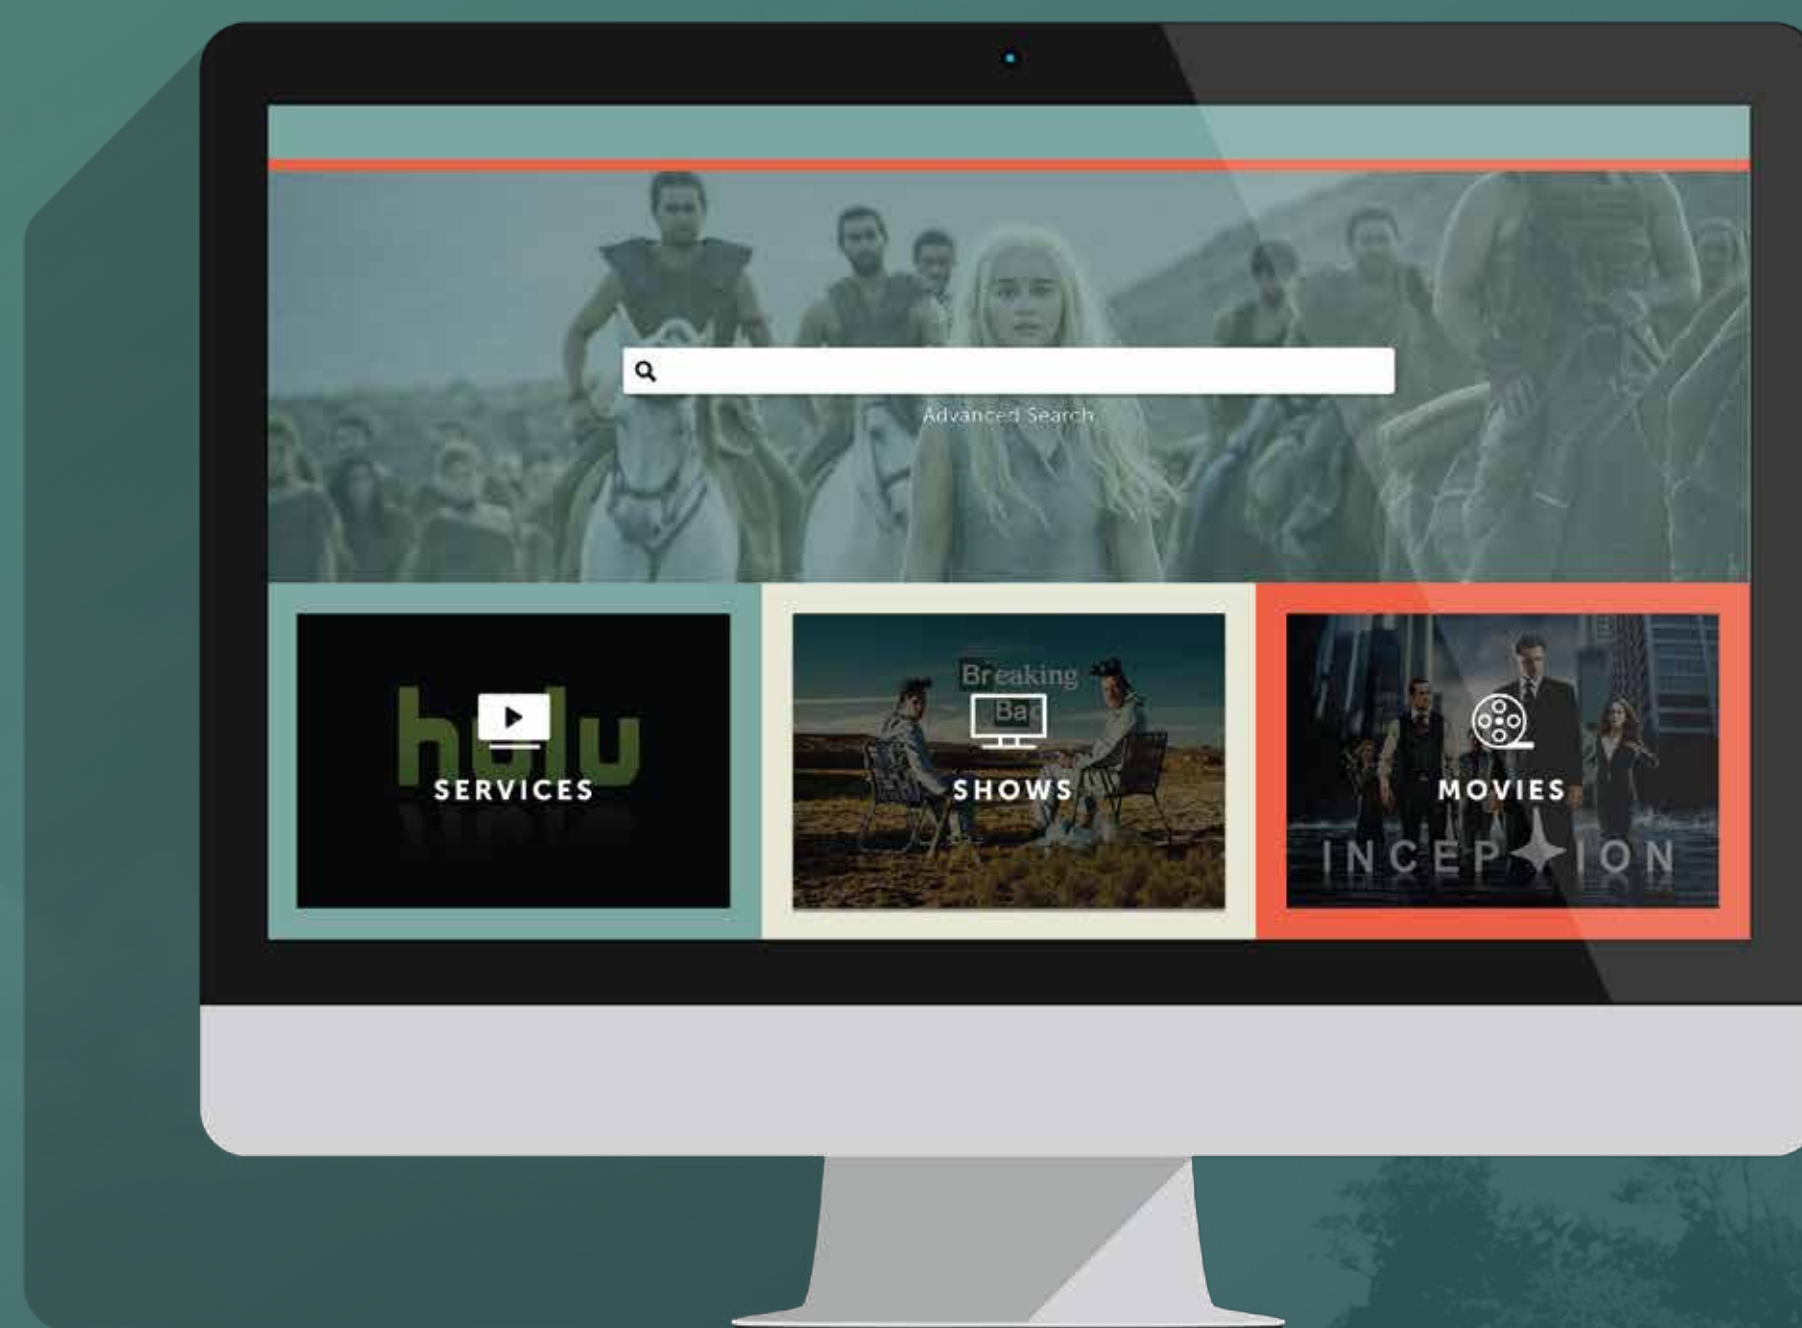

U.S. firms lose  **\$25 billion** in sales annually to piracy.

 **375,000** jobs lost each year, costing American workers

 **\$16 billion** in earnings.

## FEATURES

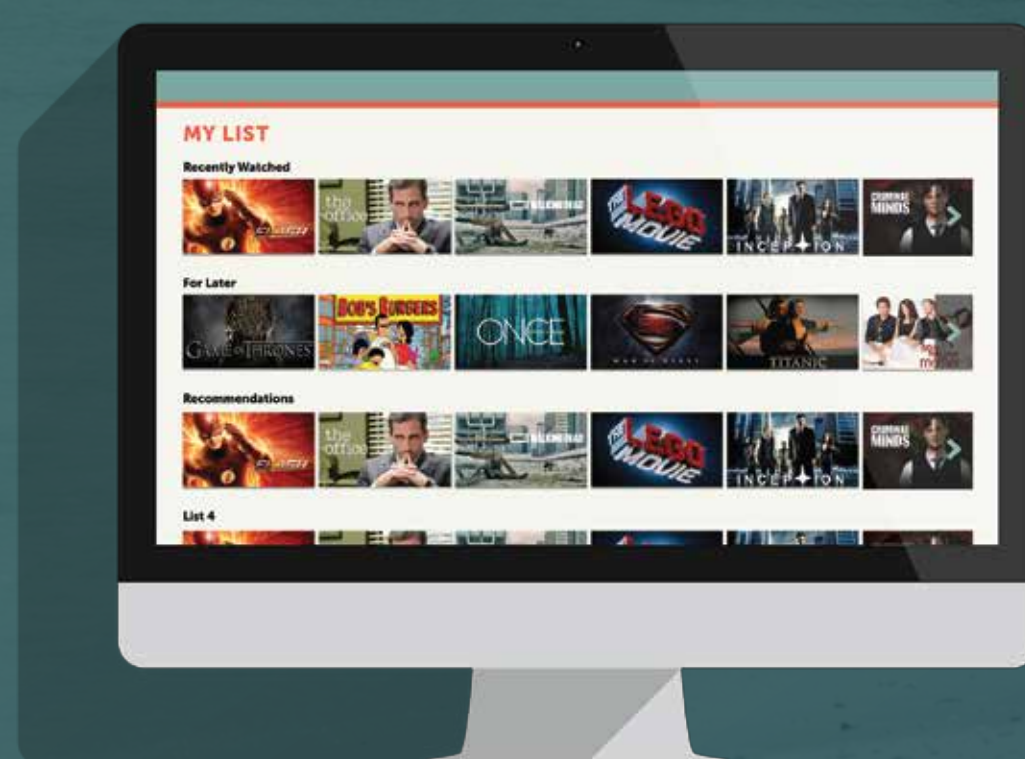

*A search engine for legal sources of movies and shows*

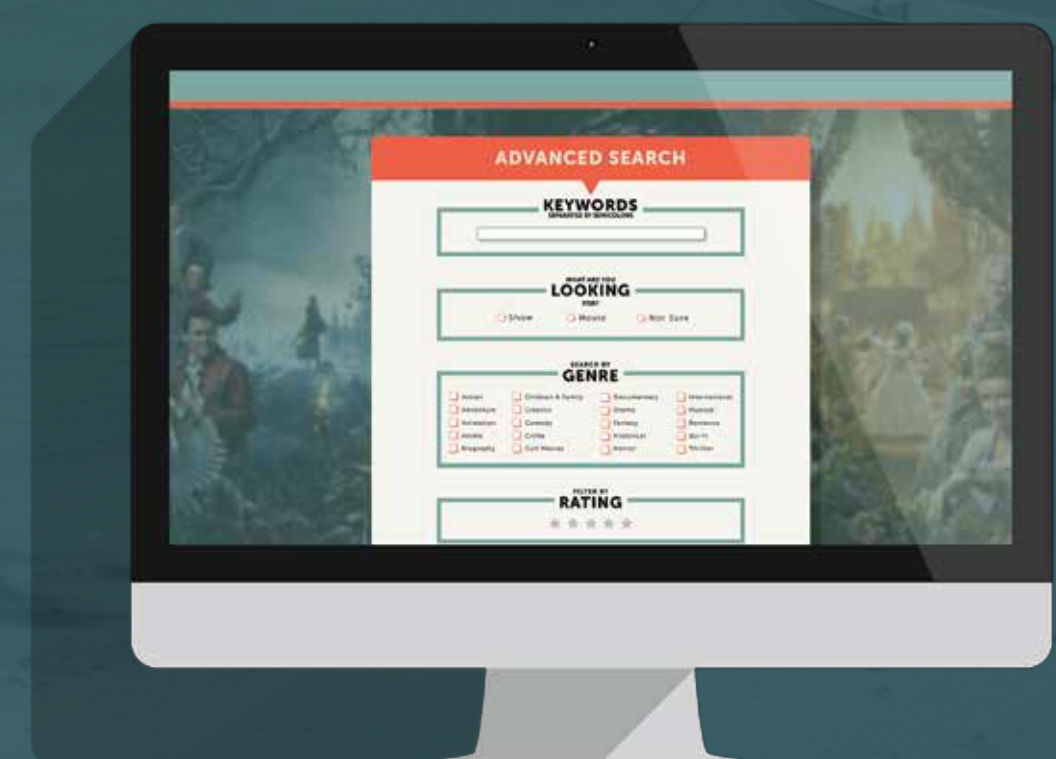

Easily **search** for your favorite shows and movies

Effortlessly find **where** to watch them

Keep track of your favorites, your way, with your **lists**

Find new things to watch and **discover** new services
